2008 Hudson Jt. Culvert # 1 Drainage Structure, Located at 1475E - 2550N

Ladies and Gentlemen:

Hudson Road District, McLean County, Illinois requests that McLean County in accordance with the Illinois Highway Code, 605 ILCS 5/5-501 of the current Illinois Compiled Statutes, construct a drainage structure with approach fills located in the S line of the NE ¼ of Section 4 T 25 N, R 2E of the 3rd P.M., Hudson Road District.

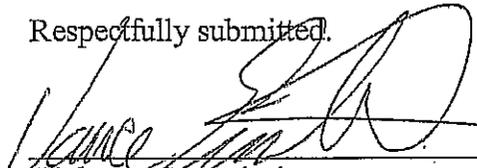

That of the funds appropriated at the November 20th meeting of the McLean County Board \$ 7,000.00 be used as the County's share of the cost of this structure.

Hudson Road District certifies that they have levied the maximum on their Road and Bridge Fund the last two years.

Hudson Road District further states that the County Engineer has made a survey of the water shed and has determined that the site of the new drainage structure shall be as mentioned above and has estimated that the cost of the new drainage structure shall be \$14,000.00 and the present structure is inadequate.

Hudson Road District further certifies that the cost of the new structure exceeds 0.02% of the assessed valuation of the Road District.

Respectfully submitted.
