FINDINGS OF FACT AND RECOMMENDATION
OF THE McLEAN COUNTY ZONING BOARD OF APPEALS

This is the findings of fact and the recommendation of the McLean County Zoning Board of Appeals to the McLean County Board concerning an application of John P. and Mary E. Leonard in case SU-08-09, parcel no. (04) 32-31-300-005. They are requesting a special use to allow an Agricultural Processing Facility – Grain Handling – in the Agriculture District and to allow the lot width to be 243 feet rather than 300 feet as required in the Agriculture District; on property which is part of the SW ¼ of Section 31, Township 22N, Range 6E of the 3rd P.M.; and is located in Bellflower Township at 2018 N 3700 East Road, Bellflower, IL.

After due notice, as required by law, the Board of Appeals held a public hearing in this case on October 7, 2008 in Room 400, Government Center, 115 East Washington Street, Bloomington, Illinois and hereby report their findings of fact and their recommendation as follows:

PHYSICAL LAYOUT – The 1.27 acre property is used for the applicants farming operation and is occupied by a machine shed, corn crib, a grain dryer and five grain bins. The former farm residence, located to the west, has been set aside and sold to an unrelated party. The property has 243 feet of frontage on the north side of 200 North Road an asphalt road 22 feet in width. The property is relatively flat and drains to the southwest.

SURROUNDING ZONING AND LAND USES - The property is in the Agriculture District and is surrounded by land in the Agriculture District. The property to the north, east and south is in crop production. The land to the west is occupied by a single family dwelling.

ANALYSIS OF STANDARDS - After considering all the evidence and testimony presented at the hearing, this Board makes the following analysis of the standards contained in the McLean County Zoning Ordinance regarding the recommendation by the Zoning Board of Appeals as to whether the County Board should grant or deny the proposed special use.

1. **The proposed special use will not be detrimental to or endanger the health, safety, morals, comfort, or welfare of the public.** This standard is met. The house site was previously set aside from the larger farm tract in May of 2007. At that time, the farm buildings were improperly set aside on this 1.27 acre tract. The Zoning Ordinance allows grain handling facilities accessory to a single family dwelling on small tracts, or on large farm tracts with over forty acres of tillable land. On tracts less than 40 acres, the applicant must prove the buildings will be used for grain handling which the applicant has done. The lot is substandard in width. Standard lots have 300 feet of width when the principle use is not a single family residence; and this lot has 243 feet of width. The lot provides enough width in order for the existing buildings to meet the 30 foot side yard setback requirement. The applicant farms approximately 3500 acres in the general area of this site. The 1.27 acre tract has one machine shed, one corn crib, and five grain bins which the applicant stores up to 65,000 bushels of grain in.

2. **The proposed special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for purposes already permitted or substantially diminish property values in the immediate area.** This standard is met. Nearby property that is currently in crop production, will continue to be desirable for such use.

3. **The proposed special use will not impede the orderly development of the surrounding property for uses permitted in the district.** This standard is met. Nearby land that is suitable for crop production will continue to be suitable for such use.
4. **Adequate utilities, access roads, drainage and/or other necessary facilities have been or will be provided.** This standard is met. The property has approximately 243 feet of frontage on the north side of 200 North Road.
5. **Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.** This standard is met. It appears that safe sight distance can be provided for at the existing entrance. The Bellflower Township Road Commissioner has approved the existing entrance for the proposed use.
6. **The establishment, maintenance and operation of the special use will be in conformance with the intent of the district in which the special use is proposed to be located.** This standard is met.
7. **The proposed special use, in all other respects, conforms to the applicable regulations of the district in which it is located.** This standard is met.

After considering all the evidence and testimony presented, this Board finds that the application meets all the standards as found in the McLean County Zoning Ordinance.

Therefore this Board recommends that a special use be granted on the property described above to allow an Agricultural Processing Facility – Grain Handling – in the Agriculture District and to allow the lot width to be 243 feet rather than 300 feet as required in the Agriculture District provided that development follows the plans and specifications as presented with such minor changes as the Director of Building and Zoning may determine to be in general compliance with such plans and specifications and with zoning regulations.

ROLL CALL VOTE UNANIMOUS - The roll call vote was five members for the motion to recommend granting, none opposed and Members Zimmerman, Elble and Judd were absent.

Respectfully submitted this 7th day of October 2008, McLean County Zoning Board of Appeals

Date: September 23, 2008

Subject: Bid Recommendation for the
Replacement of the 300 Wing Nurse Call System

Scope:

This project consists of the first phase of a multiple year project for the complete replacement of the nursing home nurse call system. The existing system is the original system installed during the construction of the building in 1974. The manufacturer no longer exists and certain components of the system are no longer manufactured. We currently rely on refurbished parts for repairs as needed. Now, even refurbished parts are becoming more difficult to locate. The nursing home placed \$60,000 in the 2008 budget to begin the phased in replacement on one wing.

The 1974 call system allows voice communication between staff at the nurses' station and the resident room, visual lighting above the resident's room door and full remote control of resident room televisions. The current system capabilities were used as the basis for developing bid specifications for a replacement system. In addition, we were interested in purchasing a system capable of future expansion into additional areas now available in more sophisticated systems. Alternate bids were requested for expansion components considered to be important in future years. These future expansion costs were considered in determining the successful bidder for this phase.

The new system will also have full building layout graphics, patient management software, programmable four light LED above door room light and improved pillow speaker controls. The new system will do everything our existing system does, but better and can be expanded to wireless paging, patient and staff tracking and staff reports.

Bid Process:

On August 26, 2008 an Invitation to Bid was placed in the Pantagraph which indicated a mandatory pre-bid meeting and tour would be held on September 3, 2008 at 10:00AM. Contractors Oberlander Alarms, Twin City Electric, Anderson Electric, Thompson Electronics, GE Security-Healthcare, Webtech Solutions-Weber Electric, Simplex-Grinnell, DM Mattson inc. and Bennett Electronic Service attended the pre-bid meeting. Four bids were returned by the deadline of September 15, 2008; DM Mattson, Thompson Electronics, Simplex Grinnell and Bennett Electronic Services.

Recommendations:

All bidders with the exception of Bennett Electronic Service provided extensive information and references as requested in the bid document. Additional, detailed information on their system was requested on two separate occasions without results. Therefore, Bennett Electronic Service was disqualified from consideration as a credible bidder.

After extensive review of all bids and bidder references it is our opinion that Simplex, Thompson Electronics and DM Mattson can provide systems that handle all of the nursing home needs for today and the future. DM Mattson is the low bidder for the initial phase consisting of the base bid, computer, patient information software, UPS battery backup, and 10 Y2 connectors.

DATE: September 25, 2008
TO: Honorable Chairman and Members, Property Committee
FROM: Michael J. Steffa, Director of Parks & Recreation
RE: Request Authorization to Add Late Firearm (Shotgun Only) Deer Management Season at COMLARA County Park

Under McLean County Ordinance 35.16-3 Special Authorization of Hunting, Trapping, and Firearms, the McLean County Department of Parks and Recreation conducts two Firearm (Shotgun Only) Deer Management seasons at COMLARA Park/Evergreen Lake for a total of 7 days. The Department has held special deer management hunts since 1997. The Parks and Recreation Department is requesting authorization for a third season, also known as the Late Firearm Deer Management Season to be opened at COMLARA County Park/Evergreen Lake starting in January 2009. This 3-day Late Firearm Deer Management Season is generally held the third weekend of January.

While the hunting program initially reduced and has continued to stabilize the deer population, the herd count numbers conducted by the Illinois Department of Natural Resources (IDNR) continue to be strong. The numbers for the past four years are: 2005-100 Deer, 2006-134 Deer, 2007-119 Deer, and 2008-153 Deer. IDNR wildlife biologists' recommended number for a healthy deer herd is 30-35 deer per square mile. The Parks' deer herd numbers continue to be slightly more than double that amount. A third management season could assist in reducing deer herd levels to healthier levels.

The primary negative impact of high deer population numbers is destruction of seedlings and understory due to over-browsing. Due to the impact of emerald ash borer which was found in McLean County for the first time in 2008, the Department will be required to again invest significantly in tree reforestation. Under current conditions, reduction in deer browse is necessary to promote sustainable tree planting projects.

Two years ago, the IDNR expanded the Late(January) Deer Season to include shotguns and allow residents with unfilled permits from the first two seasons to use such permits during the Late Season. The Late season is an Antlerless Only season statewide. While participation in the Parks Department Shotgun program has remained flat over the past several years, in part due to the antlerless nature of the Parks program, it is likely that there would be good participation numbers for this season due to lack of antlered hunting at alternative sites.

As with the other special hunt programs, participants would complete a lottery application and pay a \$5.00 fee. The Department will continue to utilize volunteers to assist in this program and minimize costs.

January is a low usage month for park users, thus impact or conflict on general users is minimal. The entire park/lake, excluding the Main Recreation Area Campground, Visitor Center and two park roads would be closed during this three day period, as it is for the current two seasons. Ice fishing is the primary recreational activity during this month and could be permitted on Jones Pond and in Campground Cove without impacting the hunting program.

Subj: Security Cameras for Circuit Clerk

Contained within the Adopted FY 2008 McLean County departmental budget for the McLean County Circuit Clerk's office is \$20,000.00 for a new security camera system. The departmental request provides security cameras to cover the Circuit Clerk counter areas on the 3rd and 4th floors of the Law and Justice Center and all evidence security vaults.

Because all security alarm and camera systems at the Law and Justice Center are proprietary as provided SimplexGrinnell, Co., we met with our Simplex representative and the Circuit Clerk and her staff to review and discuss all camera locations and event recording systems on the proposed digital security camera equipment. Her office currently has a very old video tape system that does not record well and does not cover all needed counter and vault locations.

Enclosed, please find the SimplexGrinnell proposal dated September 12, 2008, for \$10,241.00. This proposal provides three cameras at each counter, one camera for the accounting area, four cameras for the evidence vaults, and all necessary cables and installation using a Digital Video Recorder (DVR) and an LCD split-screen high resolution monitor for multi-viewing. This proposed system meets the approval of the Circuit Clerk. The Circuit Clerk and Facilities Management Department request approval of the Property Committee to proceed with the order pending Board approval.

Thank you for your kind consideration of this request.

TERMS AND CONDITIONS

1. **Payment.** Payments shall be invoiced and due in accordance with the terms and conditions set forth above. Work performed on a time and material basis shall be at the then-prevailing Company rate for material, labor, and related items, in effect at the time supplied under this Agreement. Company shall invoice Customer for progress payments to one hundred (100%) percent based upon equipment delivered or stored, and services performed. Customer without established satisfactory credit shall make payments of cash in advance, upon delivery or as otherwise specified by Company. Where Customer establishes and maintains satisfactory credit, payments shall be due and payable thirty (30) days from date of invoice. Company reserves the right to revoke or modify Customer's credit at its sole discretion. The Customer's failure to make payment when due is a material breach of this Agreement.

If Customer fails to make any payment when due, in addition to any other rights and remedies available, Company shall have the right, at Company's sole discretion, to stop performing any Services and/or withhold further deliveries of materials, until the account is current. In the event payment is not received when due, Company may, at its discretion, assess late fees at the rate of 1.5% per month or the maximum rate allowed by law. Customer agrees to pay all costs of collection, including without limitation costs, fees, and attorney's fees. Customer's failure to make payment when due is a material breach of this Agreement until the account is current.

2. **Pricing.** The pricing set forth in this Agreement is based on the number of devices to be installed and services to be performed as set forth in the Scope of Work ("Equipment" and "Services"). If the actual number of devices installed or services to be performed is greater than that set forth in the Scope of Work, the price will be increased accordingly. If this Agreement extends beyond one year, SimplexGrinnell may increase prices upon notice to the Customer. Customer agrees to pay all taxes, permits, and other charges, including but not limited to state and local sales and excise taxes, however designated, levied or based on the service charges pursuant to this Agreement.

3. **Alarm Monitoring Services.** Any reference to alarm monitoring services in this Agreement is included for pricing purposes only. Alarm monitoring services are performed pursuant to the terms and conditions of Company's standard alarm monitoring services agreement.

4. **Code Compliance.** Company does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in the Scope of Work. Customer acknowledges that the Authority Having Jurisdiction (e.g. Fire Marshal) may establish additional requirements for compliance with local codes. Any additional services or equipment required will be provided at an additional cost to Customer.

5. **Limitation Of Liability; Limitations Of Remedy.** It is understood and agreed by the Customer that Company is not an insurer and that insurance coverage, if any, shall be obtained by the Customer and that amounts payable to company hereunder are based upon the value of the services and the scope of liability set forth in this Agreement and are unrelated to the value of the Customer's property and the property of others located on the premises. Customer agrees to look exclusively to the Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no warranty or Warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or services supplied by Company will detect or avert occurrences or the consequences therefrom that the equipment or service was designed to detect or avert.

It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences therefrom, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability shall be limited to an amount equal to the Agreement price (as increased by the price for any additional work) or where the time and material payment term is selected, Customer's time and material payments to Company. Where this Agreement covers multiple sites, liability shall be limited to the amount of the payments allocable to the site where the incident occurred. Such sum shall be complete and exclusive. If Customer desires Company to assume greater liability, the parties shall amend this Agreement by attaching a rider setting forth the amount of additional liability and the additional amount payable by the Customer for the assumption by Company of such greater liability, provided however that such rider shall in no way be interpreted to hold Company as an insurer. **IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S) OR ANY OF ITS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM.** The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of company, whether direct or indirect, company's employees, agents, officers and directors.

6. **General Provisions.** Customer has selected the service level desired after considering and balancing various levels of protection afforded, and their related costs. Customer acknowledges and agrees that by this Agreement, Company, unless specifically stated, does not undertake any obligation to maintain or render Customer's system or equipment as Year 2000 compliant, which shall mean, capable of correctly handling the processing of calendar dates before or after

December 31, 1999. All work to be performed by Company will be performed during normal working hours of normal working days (8:00 a.m. - 5:00 p.m., Monday through Friday, excluding Company holidays), as defined by Company, unless additional times are specifically described in this Agreement.

Company will perform the services described in the Scope of Work section ("Services") for one or more system(s) or equipment as described in the Scope of Work section or the listed attachments ("Covered System(s)"). The Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes the Covered System(s) are in operational and maintainable condition as of the Agreement date. If, upon initial inspection, Company determines that repairs are recommended, repair charges will be submitted for approval prior to any work. Should such repair work be declined Company shall be relieved from any and all liability arising therefrom. **UNLESS OTHERWISE SPECIFIED IN THIS AGREEMENT, ANY INSPECTION (AND, IF SPECIFIED, TESTING) PROVIDED UNDER THIS AGREEMENT DOES NOT INCLUDE ANY MAINTENANCE, REPAIRS, ALTERATIONS, REPLACEMENT OF PARTS, OR ANY FIELD ADJUSTMENTS WHATSOEVER, NOR DOES IT INCLUDE THE CORRECTION OF ANY DEFICIENCIES IDENTIFIED BY COMPANY TO CUSTOMER. COMPANY SHALL NOT BE RESPONSIBLE FOR EQUIPMENT FAILURE OCCURRING WHILE COMPANY IS IN THE PROCESS OF FOLLOWING ITS INSPECTION TECHNIQUES, WHERE THE FAILURE ALSO RESULTS FROM THE AGE OR OBSCOLESCENCE OF THE ITEM OR DUE TO NORMAL WEAR AND TEAR. THIS AGREEMENT DOES NOT COVER SYSTEMS, EQUIPMENT, COMPONENTS OR PARTS THAT ARE BELOW GRADE, BEHIND WALLS OR OTHER OBSTRUCTIONS OR EXTERIOR TO THE BUILDING, ELECTRICAL WIRING, AND PIPING.**

7. **Customer Responsibilities.** Customer shall furnish all necessary facilities for performance of its work by Company, adequate space for storage and handling of materials, light, water, heat, heat tracing, electrical service, local telephone, watchman, and crane and elevator service and necessary permits. Where wet pipe system is installed, Customer shall supply and maintain sufficient heat to prevent freezing of the system. Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes any existing system(s) are in operational and maintainable condition as of the Agreement date. If, upon initial inspection, Company determines that repairs are recommended, repair charges will be submitted for approval prior to any work. Should such repair work be declined Company shall be relieved from any and all liability arising therefrom.

Customer shall further:

- supply required schematics and drawings unless they are to be supplied by Company in accordance with this Agreement;
- Provide a safe work environment, in the event of an emergency or Covered System(s) failure, take reasonable safety precautions to protect against personal injury, death, and property damage, continue such measures until the Covered System(s) are operational, and notify Company as soon as possible under the circumstances;
- Provide Company access to any system(s) to be serviced;
- Comply with all laws, codes, and regulations pertaining to the equipment and/or services provided under this agreement.

8. **Excavation.** In the event the Work includes excavation, Customer shall pay, as an extra to the contract price, the cost of any additional work performed by Company due to water, quicksand, rock or other unforeseen condition or obstruction encountered or shoring required.

9. **Structure and Site Conditions.** While employees of Company will exercise reasonable care in this respect, Company shall be under no responsibility for loss or damage due to the character, condition or use of foundations, walls, or other structures not erected by it or resulting from the excavation in proximity thereto, or for damage resulting from concealed piping, wiring, fixtures, or other equipment or condition of water pressure. All shoring or protection of foundation, walls or other structures subject to being disturbed by any excavation required hereunder shall be the responsibility of Customer. Customer shall have all things in readiness for installation including, without limitation, structure to support the sprinkler system and related equipment (including tanks), other materials, floor or suitable working base, connections and facilities for access at the time the materials are delivered. In the event Customer fails to have all things in readiness at the time scheduled for receipt of materials, Customer shall reimburse Company for all expenses caused by such failure. Failure to make areas available to Company during performance in accordance with schedules that are the basis for Company's proposal shall be considered a failure to have things in readiness in accordance with the terms of this Agreement.

10. **Confined Space.** If access to confined space by Company is required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-current hourly rate.

11. **Hazardous Materials.** Customer represents that, except to the extent that Company has been given written notice of the following hazards prior to the execution of this Agreement, to the best of Customer's knowledge there is no:

- "permitted confined space," as defined by OSHA,
- risk of infectious disease,
- need for air monitoring, respiratory protection, or other medical risk,
- asbestos, asbestos-containing material, formaldehyde or other potentially toxic or otherwise hazardous material contained in or on the surface of the floors, walls, ceilings, insulation or other structural components of the area of any building where work is required to be performed under this Agreement.

All of the above are hereinafter referred to as "Hazardous Conditions". Company shall have the right to rely on the representations stated above. If hazardous conditions are encountered by Company during the course of Company's work, the discovery of such materials shall constitute an event beyond Company's control and Company shall have no obligation to further perform in the area where

the hazardous conditions exist until the area has been made safe by Customer as certified in writing by an independent testing agency, and Customer shall pay disruption expenses and re-mobilization expenses as determined by Company.

This Agreement does not provide for the cost of capture, containment or disposal of any hazardous waste materials, or hazardous materials, encountered in any of the Covered System(s) and/or during performance of the Services. Said materials shall at all times remain the responsibility and property of Customer. Company shall not be responsible for the testing, removal or disposal of such hazardous materials.

12. **OSHA Compliance.** Customer shall indemnify and hold Company harmless from and against any and all claims, demands and/or damages arising in whole or in part from the enforcement of the Occupational Safety Health Act (and any amendments or changes thereto) unless said claims, demands or damages are a direct result of causes within the exclusive control of Company.

13. **Interferences.** Customer shall be responsible to coordinate the work of other trades (including but not limited to ducting, piping, and electrical) and for and additional costs incurred by Company arising out of interferences to Company's work caused by other trades.

14. **Modifications and Substitutions.** Company reserves the right to modify materials, including substituting materials of later design, providing that such modifications or substitutions will not materially affect the performance of the Covered System(s).

15. **Changes, Alterations, Additions.** Changes, alterations and additions to the Scope of Work, plans, specifications or construction schedule shall be invalid unless approved in writing by Company. Should changes be approved by Company, that increase or decrease the cost of the work to Company, the parties shall agree, in writing, to the change in price prior to performance of old work. However, if no agreement is reached prior to the time for performance of said work, and Company elects to perform said work so as to avoid delays, then Company's estimate as to the value of said work shall be deemed accepted by Customer. In addition, Customer shall pay for all extra work requested by Customer or made necessary because of incompleteness or inaccuracy of plans or other information submitted by Customer with respect to the location, type of occupancy, or other details of the work to be performed. In the event the layout of Customer's facilities has been altered, or is altered by Customer prior to the completion of the Work, Customer shall advise Company, and prices, delivery and completion dates shall be changed by Company as may be required.

16. **Commodities Availability.** Company shall not be responsible for failure to provide services, deliver products, or otherwise perform work required by this Agreement due to lack of available steel products or products made from plastics or other commodities. 1) In the event Company is unable, after reasonable commercial efforts, to acquire and provide steel products, or products made from plastics or other commodities, if required to perform work required by this Agreement, Customer hereby agrees that Company may terminate the Agreement, or the relevant portion of the Agreement, at no additional cost and without penalty. Customer agrees to pay Company in full for all work performed up to the time of any such termination. 2) If Company is able to obtain the steel products or products made from plastics or other commodities, but the price of any of the products has risen by more than 10% from the date of the bid, proposal or date Company executed this Agreement, whichever occurred first, then Company may pass through that increase through a reasonable price increase to reflect increased cost of materials.

17. **Project Claims.** Any claim of failure to perform against Company arising hereunder shall be deemed waived unless received by Company, in writing specifically setting forth the basis for such claim, within ten (10) days after such claims arise.

18. **Backcharges.** No charges shall be levied against the Seller unless seventy-two (72) hours prior written notice is given to Company to correct any alleged deficiencies which are alleged to necessitate such charges and unless such alleged deficiencies are solely and directly caused by Company.

19. **System Equipment.** The purchase of equipment or peripheral devices (including but not limited to smoke detectors, passive infrared detectors, card readers, sprinkler system components, extinguishers and hoses) from Company shall be subject to the terms and conditions of this Agreement. If, in Company's sole judgment, any peripheral device or other system equipment, which is attached to the Covered System(s), whether provided by Company or a third party, interferes with the proper operation of the Covered System(s), Customer shall remove or replace such device or equipment promptly upon notice from Company. Failure of Customer to remove or replace the device shall constitute a material breach of this Agreement. If Customer adds any third party device or equipment to the Covered System(s), Company shall not be responsible for any damage to or failure of the Covered System(s) caused in whole or in part by such device or equipment.

20. **Reports.** Where inspection and/or test services are selected, such inspection and/or test shall be completed on Company's then current Report form, which shall be given to Customer, and, where applicable, Company may submit a copy thereof to the local authority having jurisdiction. The Report and recommendations by Company are only advisory in nature and are intended to assist Customer in reducing the risk of loss to property by indicating obvious defects or impairments noted in the system and equipment inspected and/or tested. They are not intended to imply that no other defects or hazards exist or that all aspects of the Covered System(s), equipment, and components are under control at the time of inspection. Final responsibility for the condition and operation of the Covered System(s) and equipment and components has with Customer.

21. **Limited Warranty.** Subject to the limitations below, Company warrants any equipment (as distinguished from the Software) installed pursuant to this Agreement to be free from defects in material and workmanship under normal use for a period of one (1) year from the date of first beneficial use or all or any part of the Covered System(s) or 18 months after Equipment shipments, whichever is earlier, provided however, that Company's sole liability, and Customer's sole remedy, under this limited warranty shall be limited to the repair or replacement of the Equipment or any

part thereof, which Company determines is defective, at Company's sole option and subject to the availability of service personnel and parts, as determined by Company. Company warrants expandable items, including, but not limited to, video and print heads, television camera tubes, video monitor displays tubes, batteries and certain other products in accordance with the applicable manufacturers warranty. Company does not warrant devices designed to fall in protecting the System, such as, but not limited to, fuses and circuit breakers. Company warrants that any Company software described in this Agreement, as well as software contained in or sold as part of any Equipment described in this Agreement, will reasonably conform to its published specifications in effect at the time of delivery and for ninety (90) days after delivery. However, Customer agrees and acknowledges that the software may have inherent defects because of its complexity. Company's sole obligation with respect to software, and Customer's sole remedy, shall be to make available published modifications, designed to correct inherent defects, which become available during the warranty period. If Repair Services are included in this Agreement, Company warrants that its workmanship and material for repairs made pursuant to this Agreement will be free from defects for a period of ninety (90) days from the date of furnishing. EXCEPT AS EXPRESSLY SET FORTH HEREIN, COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PERFORMED OR THE PRODUCTS, SYSTEMS OR EQUIPMENT, IF ANY, SUPPORTED HEREUNDER. COMPANY MAKES NO WARRANTY OR REPRESENTATION, AND UNDERTAKES NO OBLIGATION TO ENSURE BY THE SERVICES PERFORMED UNDER THIS AGREEMENT, THAT COMPANY'S PRODUCTS OR THE SYSTEMS OR EQUIPMENT OF THE CUSTOMER WILL CORRECTLY HANDLE THE PROCESSING OF CALENDAR DATES BEFORE OR AFTER DECEMBER 31, 1999. Warranty service will be performed during Company's normal working hours. If Customer requests warranty service at other than normal working hours, service will be performed at Company's then current rates for after hours services. All repairs or adjustments that are or may become necessary shall be performed by and authorized representative of Company. Any repairs, adjustments or interconnections performed by Customer or any third party shall void all warranties. 22. Indemnity. Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third party claims for personal injury, death, property damage or economic loss, including specifically any damages resulting from the exposure of workers to Hazardous Conditions whether or not Customer pre-notifies Company of the existence of said hazardous conditions, arising in any way from any act or omission of Customer or Company relating in any way to this Agreement, including but not limited to the Services under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. Company reserves the right to select counsel to represent it in any such action. 23. Insurance. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and representatives as additional insureds on Customer's general liability and auto liability policies. 24. Termination. Any termination under the terms of this Agreement shall be made in writing. In the event Customer terminates this Agreement prior to completion for

any reason not arising solely from Company's performance or failure to perform, Customer understands and agrees that Company will incur costs of administration and preparation that are difficult to estimate or determine. Accordingly, should Customer terminate this Agreement as described above, Customer agrees to pay all charges incurred for products and equipment installed and services performed, and in addition pay an amount equal to twenty (20%) percent of the price of products and equipment not yet delivered and Services not yet performed, return all products and equipment delivered and pay a restocking fee of twenty (20%) percent the price of products or equipment returned. Company may terminate this Agreement immediately at its sole discretion upon the occurrence of any Event of Default as hereinafter defined. Company may also terminate this Agreement at its sole discretion upon notice to Customer if Company's performance of its obligations under this Agreement becomes impracticable due to obsolescence of equipment at Customer's premises or unavailability of parts. 25. Default. An Event of Default shall be 1) failure of the Customer to pay any amount within ten (10) days after the amount is due and payable, 2) abuse of the System or the Equipment, 3) discontinuance, discontinuance, insolvency or business failure of Customer. Upon the occurrence of an Event of Default, Company may pursue one or more of the following remedies, 1) discontinue furnishing Services, 2) by written notice to Customer declare the balance of unpaid amounts due and to become due under the this Agreement to be immediately due and payable, provided that all past due amounts shall bear interest at the rate of 1 1/2% per month (18% per year) or the highest amount permitted by law, 3) receive immediate possession of any equipment for which Customer has not paid, 4) proceed at law or equity to enforce performance by Customer or recover damages for breach of this Agreement, and 5) recover all costs and expenses, including without limitation reasonable attorney's fees, in connection with enforcing or attempting to enforce this Agreement. 26. Exclusions. Unless expressly included in the Scope of Work, this Agreement expressly excludes, without limitation, testing inspection and repair of duct detectors, beam detectors, and UVR equipment; provision of fire watches; clearing of ice blockage; draining of improperly pitched piping; replacement of batteries; recharging of chemical suppression systems; reboating of, upgrading, and maintaining computer software; system upgrades and the replacement of obsolete systems, equipment, components or parts; making repairs or replacements necessitated by reason of negligence or misuse of components or equipment or changes to Customer's premises, vandalism, corrosion (including but not limited to micro-bacterially induced corrosion ("MIC")), power failure, current fluctuation, failure due to non-Company installation, lightning, electrical storm, or other severe weather, water, accident, fire, acts of God or any other cause external to the Covered System(s). Repair Services provided pursuant to this Agreement do not cover and specifically excludes system upgrades and the replacement of obsolete systems, equipment, components or parts. All such services may be provided by Company at Company's sole discretion at an additional charge. If Emergency Services are expressly included in the scope of work section, the Agreement price does not include travel expenses. 27. Force Majeure; Delays. Company shall not be liable for any damage or penalty for delays or failure to perform work due to acts of God, acts or omissions of Customer, acts of civil or military authorities, Government regulations or priorities, fires, epidemics, quarantine, restrictions, war, riots, civil disobedience or unrest, strikes, delays in transportation, vehicle shortages, differences with workmen,

inability to obtain necessary labor, material or manufacturing facilities, defaults of Company's subcontractors, failure or delay in furnishing complete information by Customer with respect to location or other details of work to be performed, impossibility or impracticability of performance or any other cause or causes beyond Company's control, whether or not similar to the foregoing. In the event of any delay caused as aforesaid, completion shall be extended for a period equal to any such delay, and this contract shall not be void or voidable as a result of the delay. In the event work is temporarily discontinued by any of the foregoing, all unpaid installments of the contract price, less an amount equal to the value of material and labor not furnished, shall be due and payable upon receipt of invoice by Customer. 28. One-Year Limitation On Actions; Choice Of Law. It is agreed that no suit, or cause of action or other proceeding shall be brought against either party more than one (1) year after the accrual of the cause of action or one (1) year after the claim arises, whichever is shorter, whether known or unknown when the claim arises or whether based on tort, contract, or any other legal theory. The laws of Massachusetts shall govern the validity, enforceability, and interpretation of this Agreement. 29. Assignment. Customer may not assign this Agreement without Company's prior written consent. Company may assign this Agreement to an affiliate without obtaining Customer's consent. 30. Entire Agreement. The parties intend this Agreement, together with any attachments or Riders (collectively the "Agreement") to be the final, complete and exclusive expression of their Agreement and the terms and conditions thereof. This Agreement supersedes all prior representations, understandings or agreements between the parties, written or oral, and shall constitute the sole terms and conditions of sale for all equipment and services. No waiver, change, or modification of any terms or conditions of this Agreement shall be binding on Company unless made in writing and signed by an Authorized Representative of Company. 31. Subject: Circuit Clerk Security Cameras

I went back and reviewed the budget requests and final approvals for the Circuit Clerk's FY'2008 departmental budget. Sandy Parker requested \$20,000 in her FY'08 budget for a new security camera system for her department. The funding was approved and is budgeted in line-item 0001-0015-0011-0832.0001. The total approved appropriation in this line-item is \$22,500. Sandy planned to use \$2500 for replacement of office furniture or to purchase additional furniture if needed. To date, she hasn't encumbered or spent any money in this line-item account. As of today, she has \$22,500 available to spend.

Thank you.

Subject: County Clerks CCTV System

Sandra,

Here is the proposal for the new cameras system to protect the County Clerk's Office. It has all of the locations that we discussed (3-cameras for each counter, 1-camera for accounting, 4-cameras for the vaults, and necessary cables). I have included a new Digital Video Recorder (no sound recording...I think that was the decision!), power supply for the cameras, and a new LCD monitor that is high resolution to make the multi-view display sharper.

Please feel free to contact me if you have any questions.

Thanks you,

Lease Agreement

WHEREAS, the County of McLean, a body corporate and politic, (hereinafter referred to as "COUNTY"), as landlord, and the Regional Office of Education for McLean/DeWitt, and Livingston Counties, (hereinafter referred to as "ROE"), as tenant, desire to continue a lease agreement for office space consisting of 5,224 s.f. located on the first floor and 5,541 s.f. of office space located on the second floor or a total of 10,765 s.f. of office space in the Fairview Building, 905 N. Main Street, Normal, Illinois, (hereinafter referred to as "BUILDING"), in accordance with Illinois Compiled Statutes 105 ILCS 5/4-2 requiring COUNTY, as the host County, to provide office space for ROE; and,

WHEREAS, this lease agreement expressly sets forth the rights and duties of each party,

NOW THEREFORE, it is expressly agreed as follows:

1. **Term.** The term of the lease agreement shall commence on January 1, 2009, and terminate on December 31, 2009.

2. **Rent.**
 - a. ROE shall be provided 6,860 s.f., or 64% (percent) of the 10,765 s.f. amount for an annual maintenance and operating expense of **\$45,301.46**. The McLean County Auditor's Office shall calculate and present to ROE a monthly statement for the payment of this expense by ROE representing ROE's proportionate share of all utilities, (including electric, gas, water, and trash removal), maintenance, cleaning supplies, and maintenance equipment service contracts. Furthermore, ROE agrees to pay COUNTY a monthly rent payment of \$200.00 per month to the Capital Improvement Replacement Fund for BUILDING.

 - b. All rent payments shall be mailed to the below address:

**McLean County Treasurer
115 E. Washington Street, Mezzanine Level
P.O. Box 2400
Bloomington, Illinois 61702-2400**

 - c. The monthly rent payment during each month of the term of the lease shall be due and payable commencing on the first day of each month.

3. **Capital Improvement Fund.** All monies paid into this FUND by ROE shall be reserved by COUNTY to pay for major capital improvement replacement expenses for BUILDING. A major capital improvement replacement expense shall be defined as follows:
 - a. Additions and/or renovations to BUILDING and the adjacent property;

- b. Capital equipment purchases for mechanical, electrical, and HVAC equipment servicing BUILDING;
- b. Capital equipment and fixtures purchases for BUILDING with a depreciated life expectancy greater than seven (7) years.

In the event COUNTY determines that a major capital improvement replacement expense is necessary and the capital improvement replacement fund is not sufficient to fully fund 100% of the expense, COUNTY agrees to pay for the major capital improvement replacement expense from other COUNTY sources. COUNTY and ROE agree that COUNTY shall then be reimbursed for this expense over time from the funds on deposit in the capital improvement replacement fund.

- 4. **Tenant's Use and Operation.** ROE shall use the aforementioned leased premises only for the purposes of its general business office. ROE shall not use the premises for any unlawful, improper, or immoral use, nor for any purpose or in any manner which is in violation of any present or future governmental law or regulation. ROE shall, during the term of the lease agreement, continuously use the leased premises for the purposes stated herein.
- 5. **Building Common Areas.** ROE shall be entitled to use of the areas designated from time to time by COUNTY as "common areas", and which are adjacent to or benefit the leased premises. Such common areas shall include adjoining sidewalks, entryway lobby, and lobby atrium areas for the purpose of egress and ingress of ROE employees and clients. Such use shall be subject to the rules and regulations, as COUNTY shall from time to time issue.
- 6. **Maintenance and Repair.** COUNTY shall be responsible for compliance with all building codes, the American's with Disabilities Act (as to permanent improvements only) and any other environmental or building safety issues and any state, local, and federal regulations relating thereto, perform all general building maintenance and repair. Notwithstanding the foregoing, COUNTY shall not be responsible for the cost of repairs and maintenance caused by intentional acts or negligence of ROE employees, agents, or clients. ROE shall keep the interior of premises as well as any portion of the leased premises visible from the exterior clear, orderly, and in good condition and repair, at its own expense. ROE shall keep all glass areas of leased premises clean which are visible from the BUILDING common area hallways. ROE shall be responsible for their own custodial needs, equipment, and supplies and the replacement cost of ceiling mounted light fixture lamps.

7. **Parking.** ROE is permitted use of the adjacent parking lot of BUILDING for its employees and clients, on a first-come, first-served basis. Parking stalls shall not be assigned. Furthermore, ROE agrees and understands that other tenants and COUNTY offices also use said parking located at BUILDING, and that ROE agrees not to park in the parking lot of the nearby McLean County Nursing Home nor the McLean County Juvenile Detention Center.

8. **Alterations.** No alterations, additions, or improvements shall be made in or to the leased premises by ROE without the prior express written approval of COUNTY. All alterations, additions, improvements, and fixtures which may be made or installed by either of the parties hereto upon the leased premises and which in any manner are attached to the floors, walls, or ceiling, with the exception of ROE displays and trade fixtures, shall be the property of COUNTY and at the termination of this lease shall remain upon and be surrendered with the leased premises as a part thereof, without disturbance, molestation or injury. Notwithstanding the foregoing, COUNTY may designate by written notice to ROE certain fixtures, trade fixtures, alterations and additions to the leased premises which shall be removed by ROE at the expiration of this lease agreement. The parties hereto may also agree in writing, prior to the installation or construction of any alterations, improvements, or fixtures to the leased premises by ROE that ROE may either cause the removal of such items at the time of expiration of this lease, or that they may be left in the leased premises. ROE shall, at its own expense, repair any damages to the leased premises caused by the removal of its fixtures or alterations.

9. **Insurance and Indemnity.**
 - a. **Covenants to Hold Harmless.** ROE agrees to save and hold harmless COUNTY (including its officials, agents, and employees) free and harmless from all liability, public or private, penalties, contractual or otherwise, losses, damages, costs, attorney's fees, court costs, expenses, causes of action, claims or judgements, resulting from claimed natural persons and any other legal entity, or property of any kind (including, but not limited to choses in action) arising out of or in any way connected with this undertaking, whether or not arising out of the partial or sole negligence of COUNTY or its officials, agents, or employees, and shall indemnify COUNTY from any costs, expenses, judgements, and attorney's fees paid or incurred by or on behalf of COUNTY and/or its agents and employees.

 - b. **Fire and Casualty Insurance.** COUNTY shall be responsible for obtaining and maintaining a policy of fire and casualty insurance with extended coverage provisions applicable to the leased premises and protecting COUNTY against loss due to the structure of the premises. ROE shall be responsible for obtaining and maintaining a policy for fire and casualty insurance protecting ROE against loss or damage to its furnishings, equipment, and personal property in or on the leased premises.

Page four

- c. **Added Risk.** ROE shall also pay any increase in the fire and casualty insurance rates or premiums on the leased premises caused by any increased risk or hazardous business carried on by ROE in the leased premises. The determination of the insurance carrier shall be binding upon the parties as to the added risk resulting from ROE business. ROE's share of the annual insurance premiums for such insurance, as required by this paragraph, shall be paid within ten (10) days after ROE is given written request for same. COUNTY shall bill ROE without notice or negotiation for any rate increase.
- d. **Obligation to Carry Public Liability Insurance.** ROE shall, during the entire term hereof, keep in full force a policy of public liability insurance with respect to the leased premises and the business operated by ROE in the leased premises, and in which the limits of liability shall not be less than One Million Dollars (\$1,000,000.00), for personal injuries to any person or persons arising out of a single accident and Five Hundred Thousand Dollars (\$500,000.00) for property damage resulting from any one occurrence. COUNTY shall be named as an additional insured in all policies of liability insurance maintained pursuant to this provision. ROE shall furnish COUNTY a Certificate of Insurance of evidence of insurance that such insurance is in force at all times during the term of the lease. ROE shall furnish COUNTY additional certificates of ROE's insurance within twenty (20) days of receipt of a written request from COUNTY for such certificate.
- Insurance shall be in a form acceptable to COUNTY and written by an insurance company admitted in the state of Illinois for such coverage.
- e. **Waiver of Subrogation Rights Under Insurance Policies.** Notwithstanding anything to the contrary contained herein, each of the parties hereto releases the other, and other tenants in BUILDING, to the extent of each party's insurance coverage, from any liability for any loss or damage which may be inflicted upon the property of such party even if such loss or damage shall be brought about by the fault or negligence of the other party, or other tenants, or their agents, employees or assigns; provided, however, that this release shall be effective only with respect to loss or damage occurring during such time as the appropriate policy of insurance contains a clause to the effect that this release shall not affect the policy or the right of the insured to recover thereunder.
10. **Conduct.** ROE shall not cause or permit any conduct to take place within the leased premises which in any way disturbs or annoys other tenants or occupants of BUILDING, or adjacent buildings.
11. **Signs.** No sign, banner, decoration, picture, advertisement, awning, merchandise, or notice on the outside of leased premises or BUILDING, or which can be seen from the outside of leased premises, shall be installed or maintained by ROE without the prior express written approval of COUNTY.

12. **Estoppel.** Each party, within ten (10) days after notice from the other party, shall execute to the other party, in recordable form, a certificate stating that this lease is unmodified and in full force and effect, or in full force and effect as modified, and stating the modifications. The certificate shall also state the number of the base rental, the date to which the rent has been paid in advance, and the amount of any security deposit or prepaid rent. Failure to deliver the certificate within the ten (10) days shall be conclusive upon the party failing to so deliver for the benefit of the party requesting the certificate and any successor to the party so requesting, that this lease is in full force and effect and has not been modified except as may be represented by the party requesting the certificate.

13. **Access to the Premises.** COUNTY shall have the right to enter upon the leased premises at anytime for the purpose of inspecting the same, or of making repairs, or alternations to the leased premises or any property owned or controlled by COUNTY. For a period commencing one hundred twenty (120) days prior to the termination of this lease, COUNTY may have reasonable access to the leased premises for the purpose of exhibiting the same to prospective tenants.

14. **Hazardous Material.**
 - a. **Prohibition.** ROE expressly covenants and agrees that it will not cause or permit to be brought to, produced upon, disposed of or stored at the leased premises an hazardous material. For purposes of this provision, hazardous material shall mean any substance, in any form which is regulated or prohibited by statute, regulation, ordinance or rule including, but not limited to the Comprehensive Environmental Response, Comprehensive and Liability Act, 42 USC 6901, et seq. and regulations promulgated thereunder; the Toxic Substances Control Act, 15 USC 2601, et seq. and regulations promulgated thereunder; of the state of Illinois statutes; or any substance which may be harmful to human health or welfare or the environment.

 - b. **Disclosure, Remediation, Liability, and Indemnification.** ROE expressly covenants and agrees that in the event any hazardous material is produced or stored at, brought to, or released on the leased premises, its agents, employees, invitees, clients, or licensees, or by the negligence of ROE, its agents, employees, invitees, clients, or licensees,
 - (i) ROE shall immediately notify COUNTY of the event;

 - (ii) ROE shall take immediate preventive measures to abate the presence of hazardous materials at the leased premises;

 - (iii) ROE shall remediate and clean up the leased premises to COUNTY's satisfaction;

Page six

- (iv) ROE shall be solely liable for all costs for removal of any hazardous material and for cleanup of the leased premises; and
 - (v) ROE shall be solely liable for damages arising from any such hazardous materials and does expressly indemnify and hold harmless COUNTY from any claims, liability, expenses or damages, fines, penalties or costs (including actual or incurred attorney's fees) therefor.
- c. **Survival.** ROE expressly covenants and agrees that the duties, obligations, and liabilities of ROE under the preceding section 14(a) and 14(b) shall survive the termination of this lease, and are binding upon ROE and its successors and assigns.
15. **Condemnation.** In the event a part of the leased premises shall be taken under the power of eminent domain by any legally constituted authority, and there remains a sufficient amount of space to permit ROE to carry on its business in a manner comparable to which it has become accustomed, then this lease shall continue, but the obligation to pay rent on the part of ROE shall be reduced in an amount proportionate to the area and relative value of the entire premises taken by such condemnation. In the event all of the leased premises shall be taken, or so much of the leased premises is taken that it is not feasible to continue a reasonably satisfactory operation of the business of ROE, then the lease shall be terminated. Such termination shall be without prejudice to the rights of either COUNTY or ROE to recover compensation from the condemning authority for any loss or damage caused by such condemnation. Neither COUNTY nor ROE shall have any right in or to any award made to the other by the condemning authority.
16. **Destruction.** Except as otherwise provided in this lease, in the event the leased premises are damaged by fire or other casualty covered by the insurance required herein, such damage shall be repaired with reasonable dispatch by and at the expense of COUNTY. Until such repairs are completed, the rent payable hereunder shall be abated in proportion to the area of the leased premises which is rendered untenable by ROE in the conduct of its business. In the event that such repairs cannot, in the reasonable opinion of the parties, be substantially completed within one hundred twenty (120) days after the occurrence of such damage, or if more than fifty percent (50%) of the leased premises have been rendered unoccupiable as a result of such damage, or if there has been a declaration of any governmental authority that the leased premises are unsafe or unfit for occupancy, then COUNTY or ROE shall have the right to terminate this lease, or any extensions thereof.
17. **Insolvency.** Neither this lease nor any interest therein, nor any estate thereby created, shall pass to any trustee or receiver or assignee for the benefit of creditors or otherwise by operation of law. In the event the estate created hereby shall be taken in execution or by other process of law, or if ROE shall be adjudicated insolvent pursuant to the provisions of any state or insolvency act, or if a receiver or trustee of the property of ROE shall be appointed by reason of ROE's insolvency or

inability to pay its debts, or if any assignment shall be made of ROE's property for the benefit of creditors, then and in any such event, COUNTY, may at its option, terminate this lease, or any extensions thereof, and all rights of ROE hereunder, by giving ROE notice in writing of the election of COUNTY to so terminate.

18. **Assignment and Subletting.** ROE shall not assign or in any manner transfer this lease or any estate or interest herein without the express previous consent of COUNTY.

19. **Default.** If ROE shall fail to make any payment of any rent due hereunder within five (5) days of its due date, or if default shall continue in the performance of any of the other covenants or conditions which ROE is required to observe and perform under this lease for a period of thirty (30) days following written notice of such failure, or if ROE shall abandon or vacate the premises during the term of this lease, or if ROE shall cease to entirely own all business operations being carried on upon the premises, then COUNTY may, but need not, treat the occurrence of any one or more of the foregoing events as a breach of this lease, and thereupon may, at its option, without notice or demand of any kind to ROE have any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity:
 - a. Terminate this lease, or any extension thereof, repossess the leased premises, and be entitled to recover immediately, as liquidated agreed final damages, the total amount due to be paid by ROE during the balance of the term of this lease, or any extensions thereof, less the fair rental value of the premises for said period, together with any sum of money owed by ROE to COUNTY.
 - b. Without waiving its right to terminate this lease, or any extensions thereof, terminate ROE's right of possession and repossess the leased premises without demand or notice of any kind to ROE, in which case COUNTY may relet all or any part of the leased premises. ROE shall be responsible for all costs of reletting. ROE shall pay COUNTY on demand any deficiency from such reletting of COUNTY's inability to do so.
 - c. Have specific performance of ROE's obligations.
 - d. Cure the default and recover the cost of curing the same being on demand.

20. **Termination; Surrender of Possession.**

- a. Upon the expiration or termination of this lease, or any extension thereof, ROE shall:

- (i) Restore the leased premises to their condition at the beginning of the term (other than as contemplated by paragraph (8) of this lease), ordinary wear and tear excepted, remove all of its personal property and trade fixtures from the leased premises and the property and repair any damage caused by such removal;
- (ii) Surrender possession of the leased premises to COUNTY; and
- (iii) Upon the request of COUNTY, at ROE's cost and expense, remove from the property all signs, symbols and trademarks pertaining to ROE's business and repair any damages caused by such removal; and

b. If ROE shall fail or refuse to restore the leased premises as hereinabove provided, COUNTY may do so and recover its cost for so doing. COUNTY may, without notice, dispose of any property of ROE left upon the leased premises in any manner that COUNTY shall choose without incurring liability to ROE or to any other person. The failure of ROE to remove any property from the leased premises shall forever bar ROE from bringing any action or asserting any liability against COUNTY with respect to such property.

21. **Waiver.** One or more waivers of any covenant or condition by COUNTY shall not be construed as a waiver of a subsequent breach of the same covenant, and the consent or approval by COUNTY to or of any act of ROE requiring COUNTY's consent or approval shall not be deemed to waive or render unnecessary COUNTY's consent or approval to or of any subsequent act by ROE.

22. **Notices.** All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been given if delivered personally, or if sent by first-class mail, postage prepaid, return receipt requested to the following, or to such other address as shall be furnished in writing to one party by the other:

24. **Partial Invalidity.** If any term or condition of this lease, or any extensions thereof, or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this lease, or any extension thereof, or the application of such term, covenant, or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant, or condition of this lease shall be valid and be enforced to the fullest extent permitted by law.

28. **Non-Affiliation Clause.** No member of the McLean County Board or any other COUNTY official shall have an interest in any contract let by the McLean County Board either as a contractor or subcontractor pursuant to Illinois Compiled Statutes, 50 ILCS 105/3, et seq.

GED shall keep all glass areas of leased premises clean which are visible from the BUILDING common area hallways. GED shall be responsible for their own custodial needs, equipment, and supplies and the replacement cost of ceiling mounted light fixture lamps.
6. **Parking.** GED is permitted use of the adjacent parking lot of BUILDING for its employees and clients, on a first-come, first-served basis. Parking stalls shall not be assigned. Furthermore, GED agrees and understands that other tenants and COUNTY offices also use said parking located at BUILDING, and that GED agrees not to park in the parking lot of the nearby McLean County Nursing Home nor the McLean County Juvenile Detention Center.
7. **Alterations.** No alterations, additions, or improvements shall be made in or to the leased premises by GED without the prior express written approval of COUNTY. All alterations, additions, improvements, and fixtures which may be made or installed by either of the parties hereto upon the leased premises and which in any manner are attached to the floors, walls, or ceiling, with the exception of GED displays and trade fixtures, shall be the property of COUNTY and at the termination of this lease shall remain upon and be surrendered with the leased premises as a part thereof, without disturbance, molestation or injury. Notwithstanding the foregoing, COUNTY may designate by written notice to GED certain fixtures, trade fixtures, alterations and additions to the leased premises which shall be removed by GED at the expiration of this lease agreement. The parties hereto may also agree in writing, prior to the installation or construction of any alterations, improvements, or fixtures to the leased premises by GED that GED may either cause the removal of such items at the time of expiration of this lease, or that they may be left in the leased premises. GED shall, at its own expense, repair any damages to the leased premises caused by the removal of its fixtures or alterations.
8. **Insurance and Indemnity.**
 - a. **Covenants to Hold Harmless.** GED agrees to save and hold harmless COUNTY (including its officials, agents, and employees) free and harmless from all liability, public or private, penalties, contractual or otherwise, losses, damages, costs, attorney's fees, court costs, expenses, causes of action, claims or judgements, resulting from claimed natural persons and any other legal entity, or

- b. **Fire and Casualty Insurance.** COUNTY shall be responsible for obtaining and maintaining a policy of fire and casualty insurance with extended coverage provisions applicable to the leased premises and protecting COUNTY against loss due to the structure of the premises. GED shall be responsible for obtaining and maintaining a policy for fire and casualty insurance protecting GED against loss or damage to its furnishings, equipment, and personal property in or on the leased premises.
- c. **Added Risk.** GED shall also pay any increase in the fire and casualty insurance rates or premiums on the leased premises caused by any increased risk or hazardous business carried on by GED in the leased premises. The determination of the insurance carrier shall be binding upon the parties as to the added risk resulting from GED business. GED's share of the annual insurance premiums for such insurance, as required by this paragraph, shall be paid within ten (10) days after GED is given written request for same. COUNTY shall bill GED without notice or negotiation for any rate increase.
- d. **Obligation to Carry Public Liability Insurance.** GED shall, during the entire term hereof, keep in full force a policy of public liability insurance with respect to the leased premises and the business operated by GED in the leased premises, and in which the limits of liability shall not be less than One Million Dollars (\$1,000,000.00), for personal injuries to any person or persons arising out of a single accident and Five Hundred Thousand Dollars (\$500,000.00) for property damage resulting from any one occurrence. COUNTY shall be named as an additional insured in all policies of liability insurance maintained pursuant to this provision. GED shall furnish COUNTY a Certificate of Insurance of evidence of insurance that such insurance is in force at all times during the term of the lease. GED shall furnish COUNTY additional certificates of GED's insurance within twenty (20) days of receipt of a written request from COUNTY for such certificate.

Insurance shall be in a form acceptable to COUNTY and written by an insurance company admitted in the state of Illinois for such coverage.

- e. **Waiver of Subrogation Rights Under Insurance Policies.** Notwithstanding anything to the contrary contained herein, each of the parties hereto releases the other, and other tenants in BUILDING, to the extent of each party's insurance coverage, from any liability for any loss or damage which may be inflicted upon the property of such party even if such loss or damage shall be brought about by the fault or negligence of the other party, or other tenants, or their agents, employees or assigns; provided, however, that this release shall be effective only with respect to loss or damage occurring during such time as the appropriate policy of insurance contains a clause to the effect that this release shall not affect the policy or the right of the insured to recover thereunder.
9. **Conduct.** GED shall not cause or permit any conduct to take place within the leased premises which in any way disturbs or annoys other tenants or occupants of BUILDING, or adjacent buildings.
10. **Signs.** No sign, banner, decoration, picture, advertisement, awning, merchandise, or notice on the outside of leased premises or BUILDING, or which can be seen from the outside of leased premises, shall be installed or maintained by GED without the prior express written approval of COUNTY.
11. **Estoppel.** Each party, within ten (10) days after notice from the other party, shall execute to the other party, in recordable form, a certificate stating that this lease is unmodified and in full force and effect, or in full force and effect as modified, and stating the modifications. The certificate shall also state the number of the base rental, the date to which the rent has been paid in advance, and the amount of any security deposit or prepaid rent. Failure to deliver the certificate within the ten (10) days shall be conclusive upon the party failing to so deliver for the benefit of the party requesting the certificate and any successor to the party so requesting, that this lease is in full force and effect and has not been modified except as may be represented by the party requesting the certificate.
12. **Access to the Premises.** COUNTY shall have the right to enter upon the leased premises at anytime for the purpose of inspecting the same, or of making repairs, or alternations to the leased premises or any property owned or controlled by COUNTY. For a period commencing one hundred twenty (120) days prior to the termination of this lease, COUNTY may have reasonable access to the leased premises for the purpose of exhibiting the same to prospective tenants.
13. **Hazardous Material.**
 - a. **Prohibition.** GED expressly covenants and agrees that it will not cause or permit to be brought to, produced upon, disposed of or stored at the leased premises an hazardous material. For purposes of this provision, hazardous material shall mean any substance, in any form which is regulated or prohibited

by statute, regulation, ordinance or rule including, but not limited to the Comprehensive Environmental Response, Comprehensive and Liability Act, 42 USC 6901, et seq. and regulations promulgated thereunder; the Toxic Substances Control Act, 15 USC 2601, et seq. and regulations promulgated thereunder; of the state of Illinois statutes; or any substance which may be harmful to human health or welfare or the environment.

b. **Disclosure, Remediation, Liability, and Indemnification.** GED expressly covenants and agrees that in the event any hazardous material is produced or stored at, brought to, or released on the leased premises, its agents, employees, invitees, clients, or licensees, or by the negligence of GED, its agents, employees, invitees, clients, or licensees,

- (i) GED shall immediately notify COUNTY of the event;
- (ii) GED shall take immediate preventive measures to abate the presence of hazardous materials at the leased premises;
- (iii) GED shall remediate and clean up the leased premises to COUNTY's satisfaction;
- (iv) GED shall be solely liable for all costs for removal of any hazardous material and for cleanup of the leased premises; and
- (v) GED shall be solely liable for damages arising from any such hazardous materials and does expressly indemnify and hold harmless COUNTY from any claims, liability, expenses or damages, fines, penalties or costs (including actual or incurred attorney's fees) therefor.

c. **Survival.** GED expressly covenants and agrees that the duties, obligations, and liabilities of GED under the preceding section 14(a) and 14(b) shall survive the termination of this lease, and are binding upon GED and its successors and assigns.

14. **Condemnation.** In the event a part of the leased premises shall be taken under the power of eminent domain by any legally constituted authority, and there remains a sufficient amount of space to permit GED to carry on its business in a manner comparable to which it has become accustomed, then this lease shall continue, but the obligation to pay rent on the part of GED shall be reduced in an amount proportionate to the area and relative value of the entire premises taken by such condemnation. In the event all of the leased premises shall be taken, or so much of the leased premises is taken that it is not feasible to continue a reasonably satisfactory operation of the business of GED, then the lease shall be terminated. Such termination shall be without prejudice to the rights of either COUNTY or GED to recover compensation from the condemning authority for any loss or

damage caused by such condemnation. Neither COUNTY nor GED shall have any right in or to any award made to the other by the condemning authority.

15. **Destruction.** Except as otherwise provided in this lease, in the event the leased premises are damaged by fire or other casualty covered by the insurance required herein, such damage shall be repaired with reasonable dispatch by and at the expense of COUNTY. Until such repairs are completed, the rent payable hereunder shall be abated in proportion to the area of the leased premises which is rendered untenable by GED in the conduct of its business. In the event that such repairs cannot, in the reasonable opinion of the parties, be substantially completed within one hundred twenty (120) days after the occurrence of such damage, or if more than fifty percent (50%) of the leased premises have been rendered unoccupiable as a result of such damage, or if there has been a declaration of any governmental authority that the leased premises are unsafe or unfit for occupancy, then COUNTY or GED shall have the right to terminate this lease, or any extensions thereof.
16. **Insolvency.** Neither this lease nor any interest therein, nor any estate thereby created, shall pass to any trustee or receiver or assignee for the benefit of creditors or otherwise by operation of law. In the event the estate created hereby shall be taken in execution or by other process of law, or if GED shall be adjudicated insolvent pursuant to the provisions of any state or insolvency act, or if a receiver or trustee of the property of GED shall be appointed by reason of GED's insolvency or inability to pay its debts, or if any assignment shall be made of GED's property for the benefit of creditors, then and in any such event, COUNTY, may at its option, terminate this lease, or any extensions thereof, and all rights of GED hereunder, by giving GED notice in writing of the election of COUNTY to so terminate.
17. **Assignment and Subletting.** GED shall not assign or in any manner transfer this lease or any estate or interest herein without the express previous consent of COUNTY.
18. **Default.** If GED shall fail to make any payment of any rent due hereunder within five (5) days of its due date, or if default shall continue in the performance of any of the other covenants or conditions which GED is required to observe and perform under this lease for a period of thirty (30) days following written notice of such failure, or if GED shall abandon or vacate the premises during the term of this lease, or if GED shall cease to entirely own all business operations being carried on upon the premises, then COUNTY may, but need not, treat the occurrence of any one or more of the foregoing events as a breach of this lease, and thereupon may, at its option, without notice or demand of any kind to GED have any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity:

- a. Terminate this lease, or any extension thereof, repossess the leased premises, and be entitled to recover immediately, as liquidated agreed final damages, the total amount due to be paid by GED during the balance of the term of this lease, or any extensions thereof, less the fair rental value of the premises for said period, together with any sum of money owed by GED to COUNTY.
- b. Without waiving its right to terminate this lease, or any extensions thereof, terminate GED's right of possession and repossess the leased premises without demand or notice of any kind to GED, in which case COUNTY may relet all or any part of the leased premises. GED shall be responsible for all costs of reletting. GED shall pay COUNTY on demand any deficiency from such reletting of COUNTY's inability to do so.
- c. Have specific performance of GED's obligations.
- d. Cure the default and recover the cost of curing the same being on demand.

19. Termination; Surrender of Possession.

- a. Upon the expiration or termination of this lease, or any extension thereof, GED shall:
 - (i) Restore the leased premises to their condition at the beginning of the term (other than as contemplated by paragraph (8) of this lease), ordinary wear and tear excepted, remove all of its personal property and trade fixtures from the leased premises and the property and repair any damage caused by such removal;
 - (ii) Surrender possession of the leased premises to COUNTY; and
 - (iii) Upon the request of COUNTY, at GED's cost and expense, remove from the property all signs, symbols and trademarks pertaining to GED's business and repair any damages caused by such removal; and
- b. If GED shall fail or refuse to restore the leased premises as hereinabove provided, COUNTY may do so and recover its cost for so doing. COUNTY may, without notice, dispose of any property of GED left upon the leased premises in any manner that COUNTY shall choose without incurring liability to GED or to any other person. The failure of GED to remove any property from the leased premises shall forever bar GED from bringing any action or asserting any liability against COUNTY with respect to such property.

20. **Waiver.** One or more waivers of any covenant or condition by COUNTY shall not be construed as a waiver of a subsequent breach of the same covenant, and the consent or approval by COUNTY to or of any act of GED requiring COUNTY's consent or approval shall not be deemed to waive or render unnecessary COUNTY's consent or approval to or of any subsequent act by GED.
21. **Notices.** All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been given if delivered personally, or if sent by first-class mail, postage prepaid, return receipt requested to the following, or to such other address as shall be furnished in writing to one party by the other:

22. **Agency.** Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of computation of rent, nor any other provision contained herein, nor any facts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. Whenever herein the singular number is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.
23. **Partial Invalidity.** If any term or condition of this lease, or any extensions thereof, or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this lease, or any extension thereof, or the

application of such term, covenant, or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant, or condition of this lease shall be valid and be enforced to the fullest extent permitted by law.

- 24. **Holding Over.** Any holding over after the expiration of the term thereof with or without the consent of COUNTY, shall be construed to be a tenancy from month to month at the rents herein specified (prorated on a monthly basis) and shall otherwise be on the terms and conditions herein specified, so far as applicable.
- 25. **Successors.** All rights and liabilities herein given to, or imposed upon, the respective parties hereto shall extend to and bind the several respective heirs, executors, administrators, successors and assigns of the said parties; and if there shall be more than one tenant, they shall all be bound jointly and severally by the terms, covenants, and agreements herein. - 27. **Non-Affiliation Clause.** No member of the McLean County Board or any other COUNTY official shall have an interest in any contract let by the McLean County Board either as a contractor or subcontractor pursuant to Illinois Compiled Statutes, 50 ILCS 105/3, et seq.

IN WITNESS WHEREOF, the parties hereto have executed this agreement by their respective officers, there unto duly authorized at Bloomington, Illinois, this 21st day of October, 2008.

WHEREAS, the County of McLean, a body corporate and politic, (hereinafter referred to as "COUNTY"), as landlord, and YWCA of McLean County, (hereinafter referred to as "YWCA"), as tenant, desire to continue a lease agreement for office space consisting of 1,198 s.f. located on the first floor of the Fairview Building, 905 N. Main Street, Normal, Illinois, (hereinafter referred to as 'BUILDING'); and,

WHEREAS, this lease agreement expressly sets forth the rights and duties of each party,

NOW THEREFORE, it is expressly agreed as follows:

1. **Term.** The term of the lease agreement shall commence on January 1, 2009, and terminate on December 31, 2009.

2. **Rent.**
 - a. YWCA agrees to pay COUNTY \$8,883.75 for the term of this lease agreement, payable in twelve equal monthly installments of \$740.31 representing the YWCA's proportionate share of all utilities, (including electric, gas, water, and trash removal), maintenance, cleaning supplies, and maintenance equipment service contracts. Furthermore, the YWCA agrees to pay COUNTY a monthly rental payment of \$262.07 which includes \$50.00 per month to the Capital Improvement Replacement Fund for BUILDING.

 - b. All rent payments shall be mailed to the below address:

**McLean County Treasurer
115 E. Washington Street, Mezzanine Level
P.O. Box 2400

 - c. The monthly rent payment during each month of the term of the lease shall be due and payable commencing on the first day of each month.

3. **Capital Improvement Fund.** All monies paid into this FUND by YWCA shall be reserved by COUNTY to pay for major capital improvement replacement expenses for BUILDING. A major capital improvement replacement expense shall be defined as follows:
 - a. Additions and/or renovations to BUILDING and the adjacent property;

 - b. Capital equipment purchases for mechanical, electrical, and HVAC equipment servicing BUILDING;

 - b. Capital equipment and fixtures purchases for BUILDING with a depreciated life expectancy greater than seven (7) years.

In the event COUNTY determines that a major capital improvement replacement expense is necessary and the capital improvement replacement fund is not sufficient to fully fund 100% of the expense, COUNTY agrees to pay for the major capital improvement replacement expense from other COUNTY sources. COUNTY and YWCA agree that COUNTY shall then be reimbursed for this expense over time from the funds on deposit in the capital improvement replacement fund.

4. **Tenant's Use and Operation.** YWCA shall use the aforementioned leased premises only for the purposes of its general business office. YWCA shall not use the premises for any unlawful, improper, or immoral use, nor for any purpose or in any manner which is in violation of any present or future governmental law or regulation. YWCA shall, during the term of the lease agreement, continuously use the leased premises for the purposes stated herein.
5. **Building Common Areas.** YWCA shall be entitled to use of the areas designated from time to time by COUNTY as "common areas", and which are adjacent to or benefit the leased premises. Such common areas shall include adjoining sidewalks, entryway lobby, and lobby atrium areas for the purpose of egress and ingress of YWCA employees and clients. Such use shall be subject to the rules and regulations, as COUNTY shall from time to time issue.

YWCA shall keep the interior of premises as well as any portion of the leased premises visible from the exterior clear, orderly, and in good condition and repair, at its own expense. YWCA shall keep all glass areas of leased premises clean which are visible from the BUILDING common area hallways. YWCA shall be responsible for their own custodial needs, equipment, and supplies and the replacement cost of ceiling mounted light fixture lamps.
7. **Parking.** YWCA is permitted use of the adjacent parking lot of BUILDING for its employees and clients, on a first-come, first-served basis. Parking stalls shall not be assigned. Furthermore, YWCA agrees and understands that other tenants and COUNTY offices also use said parking located at BUILDING, and that YWCA agrees not to park in the parking lot of the nearby McLean County Nursing Home nor the McLean County Juvenile Detention Center.

8. **Alterations.** No alterations, additions, or improvements shall be made in or to the leased premises by YWCA without the prior express written approval of COUNTY. All alterations, additions, improvements, and fixtures which may be made or installed by either of the parties hereto upon the leased premises and which in any manner are attached to the floors, walls, or ceiling, with the exception of YWCA displays and trade fixtures, shall be the property of COUNTY and at the termination of this lease shall remain upon and be surrendered with the leased premises as a part thereof, without disturbance, molestation or injury. Notwithstanding the foregoing, COUNTY may designate by written notice to YWCA certain fixtures, trade fixtures, alterations and additions to the leased premises which shall be removed by YWCA at the expiration of this lease agreement. The parties hereto may also agree in writing, prior to the installation or construction of any alterations, improvements, or fixtures to the leased premises by YWCA that YWCA may either cause the removal of such items at the time of expiration of this lease, or that they may be left in the leased premises. YWCA shall, at its own expense, repair any damages to the leased premises caused by the removal of its fixtures or alterations.

9. **Insurance and Indemnity.**

a. **Covenants to Hold Harmless.** YWCA agrees to save and hold harmless COUNTY (including its officials, agents, and employees) free and harmless from all liability, public or private, penalties, contractual or otherwise, losses, damages, costs, attorney's fees, court costs, expenses, causes of action, claims or judgements, resulting from claimed natural persons and any other legal entity, or property of any kind (including, but not limited to choses in action) arising out of or in any way connected with this undertaking, whether or not arising out of the partial or sole negligence of COUNTY or its officials, agents, or employees, and shall indemnify COUNTY from any costs, expenses, judgements, and attorney's fees paid or incurred by or on behalf of COUNTY and/or its agents and employees.

b. **Fire and Casualty Insurance.** COUNTY shall be responsible for obtaining and maintaining a policy of fire and casualty insurance with extended coverage provisions applicable to the leased premises and protecting COUNTY against loss due to the structure of the premises. YWCA shall be responsible for obtaining and maintaining a policy for fire and casualty insurance protecting YWCA against loss or damage to its furnishings, equipment, and personal property in or on the leased premises.

c. **Added Risk.** YWCA shall also pay any increase in the fire and casualty insurance rates or premiums on the leased premises caused by any increased risk or hazardous business carried on by YWCA in the leased premises. The determination of the insurance carrier shall be binding upon the parties as to the added risk resulting from YWCA business. YWCA's share of the annual

13. **Access to the Premises.** COUNTY shall have the right to enter upon the leased premises at anytime for the purpose of inspecting the same, or of making repairs, or alternations to the leased premises or any property owned or controlled by COUNTY. Neither COUNTY nor YWCA shall have any right in or to any award made to the other by the condemning authority.
16. **Destruction.** Except as otherwise provided in this lease, in the event the leased premises are damaged by fire or other casualty covered by the insurance required herein, such damage shall be repaired with reasonable dispatch by and at the expense of COUNTY. Until such repairs are completed, the rent payable hereunder shall be abated in proportion to the area of the leased premises which is rendered untenable by YWCA in the conduct of its business. In the event that such repairs cannot, in the reasonable opinion of the parties, be substantially completed within one hundred twenty (120) days after the occurrence of such damage, or if more than fifty percent (50%) of the leased premises have been rendered unoccupiable as a result of such damage, or if there has been a declaration of any governmental authority that the leased premises are unsafe or unfit for occupancy, then COUNTY or YWCA shall have the right to terminate this lease, or any extensions thereof.
17. **Insolvency.** Neither this lease nor any interest therein, nor any estate thereby created, shall pass to any trustee or receiver or assignee for the benefit of creditors or otherwise by operation of law. In the event the estate created hereby shall be taken in execution or by other process of law, or if YWCA shall be adjudicated insolvent pursuant to the provisions of any state or insolvency act, or if a receiver or trustee of the property of YWCA shall be appointed by reason of YWCA's insolvency or

inability to pay its debts, or if any assignment shall be made of YWCA's property for the benefit of creditors, then and in any such event, COUNTY, may at its option, terminate this lease, or any extensions thereof, and all rights of YWCA hereunder, by giving YWCA notice in writing of the election of COUNTY to so terminate.

18. **Assignment and Subletting.** YWCA shall not assign or in any manner transfer this lease or any estate or interest herein without the express previous consent of COUNTY.

19. **Default.** If YWCA shall fail to make any payment of any rent due hereunder within five (5) days of its due date, or if default shall continue in the performance of any of the other covenants or conditions which YWCA is required to observe and perform under this lease for a period of thirty (30) days following written notice of such failure, or if YWCA shall abandon or vacate the premises during the term of this lease, or if YWCA shall cease to entirely own all business operations being carried on upon the premises, then COUNTY may, but need not, treat the occurrence of any one or more of the foregoing events as a breach of this lease, and thereupon may, at its option, without notice or demand of any kind to YWCA have any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity:
 - a. Terminate this lease, or any extension thereof, repossess the leased premises, and be entitled to recover immediately, as liquidated agreed final damages, the total amount due to be paid by YWCA during the balance of the term of this lease, or any extensions thereof, less the fair rental value of the premises for said period, together with any sum of money owed by YWCA to COUNTY.
 - b. Without waiving its right to terminate this lease, or any extensions thereof, terminate YWCA's right of possession and repossess the leased premises without demand or notice of any kind to YWCA, in which case COUNTY may relet all or any part of the leased premises. YWCA shall be responsible for all costs of reletting. YWCA shall pay COUNTY on demand any deficiency from such reletting of COUNTY's inability to do so.
 - c. Have specific performance of YWCA's obligations.
 - d. Cure the default and recover the cost of curing the same being on demand.

20. **Termination; Surrender of Possession.**
 - a. Upon the expiration or termination of this lease, or any extension thereof, YWCA shall:

- (i) Restore the leased premises to their condition at the beginning of the term (other than as contemplated by paragraph (8) of this lease), ordinary wear and tear excepted, remove all of its personal property and trade fixtures from the leased premises and the property and repair any damage caused by such removal;
 - (ii) Surrender possession of the leased premises to COUNTY; and
 - (iii) Upon the request of COUNTY, at YWCA's cost and expense, remove from the property all signs, symbols and trademarks pertaining to YWCA's business and repair any damages caused by such removal; and
- b. If YWCA shall fail or refuse to restore the leased premises as hereinabove provided, COUNTY may do so and recover its cost for so doing. COUNTY may, without notice, dispose of any property of YWCA left upon the leased premises in any manner that COUNTY shall choose without incurring liability to YWCA or to any other person. The failure of YWCA to remove any property from the leased premises shall forever bar YWCA from bringing any action or asserting any liability against COUNTY with respect to such property.
21. **Waiver.** One or more waivers of any covenant or condition by COUNTY shall not be construed as a waiver of a subsequent breach of the same covenant, and the consent or approval by COUNTY to or of any act of YWCA requiring COUNTY's consent or approval shall not be deemed to waive or render unnecessary COUNTY's consent or approval to or of any subsequent act by YWCA.
22. **Notices.** All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been given if delivered personally, or if sent by first-class mail, postage prepaid, return receipt requested to the following, or to such other address as shall be furnished in writing to one party by the other:

If to COUNTY:

If to YWCA:

23. **Agency.** Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of computation of rent, nor any other provision contained herein, nor any facts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. Whenever herein the singular number is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.
24. **Partial Invalidity.** If any term or condition of this lease, or any extensions thereof, or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this lease, or any extension thereof, or the application of such term, covenant, or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant, or condition of this lease shall be valid and be enforced to the fullest extent permitted by law.
25. **Holding Over.** Any holding over after the expiration of the term thereof with or without the consent of COUNTY, shall be construed to be a tenancy from month to month at the rents herein specified (prorated on a monthly basis) and shall otherwise be on the terms and conditions herein specified, so far as applicable.
26. **Successors.** All rights and liabilities herein given to, or imposed upon, the respective parties hereto shall extend to and bind the several respective heirs, executors, administrators, successors and assigns of the said parties; and if there shall be more than one tenant, they shall all be bound jointly and severally by the terms, covenants, and agreements herein. 28. **Non-Affiliation Clause.** No member of the McLean County Board or any other COUNTY official shall have an interest in any contract let by the McLean County Board either as a contractor or subcontractor pursuant to Illinois Compiled Statutes, 50 ILCS 105/3, et seq.

14. **Destruction.** Except as otherwise provided in this lease, in the event the leased premises are damaged by fire or other casualty covered by the insurance required herein, such damage shall be repaired with reasonable dispatch by and at the expense of COUNTY. Until such repairs are completed, the rent payable hereunder shall be abated in proportion to the area of the leased premises which is rendered untenable by VAC in the conduct of its business. In the event that such repairs cannot, in the reasonable opinion of the parties, be substantially completed within one hundred twenty (120) days after the occurrence of such damage, or if more than fifty percent (50%) of the leased premises have been rendered unoccupiable as a result of such damage, or if there has been a declaration of any governmental authority that the leased premises are unsafe or unfit for occupancy, then COUNTY or VAC shall have the right to terminate this lease, or any extensions thereof.

16. **Assignment and Subletting.** VAC shall not assign or in any manner transfer this lease or any estate or interest herein without the express previous consent of COUNTY.

17. **Default.** If VAC shall fail to make any payment of any rent due hereunder within five (5) days of its due date, or if default shall continue in the performance of any of the other covenants or conditions which VAC is required to observe and perform under this lease for a period of thirty (30) days following written notice of such failure, or if VAC shall abandon or vacate the premises during the term of this lease, or if VAC shall cease to entirely own all business operations being carried on upon the premises; then COUNTY may, but need not, treat the occurrence of any one or more of the foregoing events as a breach of this lease, and thereupon may, at its option, without notice or demand of any kind to VAC have any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity:

- a. Terminate this lease, or any extension thereof, repossess the leased premises, and be entitled to recover immediately, as liquidated agreed final damages, the total amount due to be paid by VAC during the balance of the term of this lease, or any extensions thereof, less the fair rental value of the premises for said period, together with any sum of money owed by VAC to COUNTY.
- b. Without waiving its right to terminate this lease, or any extensions thereof, terminate VAC's right of possession and repossess the leased premises without demand or notice of any kind to VAC, in which case COUNTY may relet all or any part of the leased premises. VAC shall be responsible for all costs of reletting. VAC shall pay COUNTY on demand any deficiency from such reletting of COUNTY's inability to do so.
- c. Have specific performance of VAC's obligations.
- d. Cure the default and recover the cost of curing the same being on demand.

18. **Termination; Surrender of Possession.**

- a. Upon the expiration or termination of this lease, or any extension thereof, VAC shall:
 - (i) Restore the leased premises to their condition at the beginning of the term (other than as contemplated by paragraph (7) of this lease), ordinary wear and tear excepted, remove all of its personal property and trade fixtures from the leased premises and the property and repair any damage caused by such removal;
 - (ii) Surrender possession of the leased premises to COUNTY; and

- (iii) Upon the request of COUNTY, at VAC's cost and expense, remove from the property all signs, symbols and trademarks pertaining to VAC's business and repair any damages caused by such removal; and
 - b. If VAC shall fail or refuse to restore the leased premises as hereinabove provided, COUNTY may do so and recover its cost for so doing. COUNTY may, without notice, dispose of any property of VAC left upon the leased premises in any manner that COUNTY shall choose without incurring liability to VAC or to any other person. The failure of VAC to remove any property from the leased premises shall forever bar VAC from bringing any action or asserting any liability against COUNTY with respect to such property.
19. **Waiver.** One or more waivers of any covenant or condition by COUNTY shall not be construed as a waiver of a subsequent breach of the same covenant, and the consent or approval by COUNTY to or of any act of VAC requiring COUNTY's consent or approval shall not be deemed to waive or render unnecessary COUNTY's consent or approval to or of any subsequent act by VAC.
20. **Notices.** All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been given if delivered personally, or if sent by first-class mail, postage prepaid, return receipt requested to the following, or to such other address as shall be furnished in writing to one party by the other:

connected with this undertaking, whether or not arising out of the partial or sole negligence of COUNTY or its officials, agents, or employees, and shall indemnify COUNTY from any costs, expenses, judgements, and attorney's fees paid or incurred by or on behalf of COUNTY and/or its agents and employees.

b. **Fire and Casualty Insurance.** COUNTY shall be responsible for obtaining and maintaining a policy of fire and casualty insurance with extended coverage provisions applicable to the leased premises and protecting COUNTY against loss due to the structure of the premises. CAC shall be responsible for obtaining and maintaining a policy for fire and casualty insurance protecting CAC against loss or damage to its furnishings, equipment, and personal property in or on the leased premises.

c. **Added Risk.** CAC shall also pay any increase in the fire and casualty insurance rates or premiums on the leased premises caused by any increased risk or hazardous business carried on by CAC in the leased premises. COUNTY shall invoice CAC without notice or negotiation for any rate increase.

d. **Obligation to Carry Public Liability Insurance.** CAC shall, during the entire term hereof, keep in full force a policy of public liability insurance with respect to the leased premises and the business operated by CAC in the leased premises, and in which the limits of liability shall not be less than One Million Dollars (\$1,000,000.00), for personal injuries to any person or persons arising out of a single accident and Five Hundred Thousand Dollars (\$500,000.00) for property damage resulting from any one occurrence. CAC shall furnish COUNTY additional certificates of CAC's insurance within twenty (20) days of receipt of a written request by COUNTY for such certificate. Insurance must be in a form acceptable to COUNTY and written by an insurance company admitted in the state of Illinois for such coverage.

e. Waiver of Subrogation Rights Under Insurance Policies.

Notwithstanding anything to the contrary contained herein, each of the parties hereto releases the other, and other tenants in BUILDING, to the extent of each party's insurance coverage, from any and all liability for any loss or damage which may be inflicted upon the property of such party even if such loss or damage shall be brought about by the fault or negligence of the other party, or other tenants, or their agents, employees or assigns; provided, however, that this release shall be effective only with respect to loss or damage occurring during such time as the appropriate policy of insurance contains a clause to the effect that this release shall not affect the policy or the right of the insured to recover thereunder.

9. Conduct. CAC shall not cause or permit any conduct of employees or clients of CAC to take place within the leased premises or building which in any way may disturb or annoy other tenants or occupants of BUILDING or adjacent buildings.
10. Signs. No sign, banner, decoration, picture, advertisement, awning, merchandise, or notice on the outside of leased premises or BUILDING, or which can be seen from the outside of leased premises, shall be installed or maintained by CAC without the prior express written approval of COUNTY.
11. Estoppel. Each party, within ten (10) days after notice from the other party, shall execute to the other party, in recordable form, a certificate stating that this lease is unmodified and in full force and effect, or in full force and effect as modified, and stating the modifications. The certificate shall also state the amount of the base rental, if applicable, the date to which the rent has been paid in advance, and the amount of any security deposit or prepaid rent. Failure to deliver the certificate within the ten (10) days shall be conclusive upon the party failing to so deliver for the benefit of the party requesting the certificate and any successor to the party so requesting, that this lease is in full force and effect and has not been modified except as may be represented by the party requesting the certificate.
12. Access to the Premises. COUNTY shall have the right to enter upon the leased premises at anytime for the purpose of inspecting the same, or of making repairs, additions or alterations to the leased premises or any property owned or controlled by COUNTY. For a period commencing one hundred twenty (120) days prior to the termination of this lease, COUNTY may have reasonable access to the leased premises for the purpose of exhibiting the same to prospective tenants with 24 hours notice to CAC.

13. Hazardous Material.

a. Prohibition. CAC expressly covenants and agrees that it will not cause or permit to be brought to, produced upon, disposed of or stored at the leased premises an hazardous material. For purposes of this provision, hazardous material shall mean any substance, in any form which is regulated or prohibited by statute, regulation, ordinance or rule including, but not limited to the Comprehensive Environmental Response, Compensation and Liability Act, 42 USC 6901, et seq. and regulations promulgated thereunder; the Toxic Substances Control Act, 15 USC 2601, et seq. and regulations promulgated thereunder; of state of Illinois statutes; or any substance which may be harmful to human health or welfare or the environment.

b. Disclosure, Remediation, Liability, and Indemnification. CAC expressly covenants and agrees that in the event any hazardous material is produced or stored at, brought to, or released on the leased premises by CAC, its agents, employees, invitees, clients, or licensees, or by the negligence of CAC, its agents, employees, invitees, clients, or licensees,

- (ii) CAC shall take immediate preventive measures to abate the presence of hazardous materials at the leased premises;
- (iii) CAC shall remediate and clean up the leased premises to COUNTY's satisfaction;
- (iv) CAC shall be solely liable for all costs for removal of any hazardous material and for cleanup of the leased premises; and
- (v) CAC shall be solely liable for damages arising from any such hazardous materials and does expressly indemnify and hold harmless COUNTY from any claims, liability, expenses or damages, fines, penalties or costs (including actual or incurred attorney's fees) therefor.

c. Survival. CAC expressly covenants and agrees that the duties, obligations, and liabilities of CAC under the preceding section 13(a) and 13(b) shall survive the termination of this lease, and are binding upon CAC and its successors and assigns.

14. **Condemnation.** In the event a part of the leased premises shall be taken under the power of eminent domain by any legally constituted authority, and there remains a sufficient amount of space to permit CAC to carry on its business in a manner comparable to which it has become accustomed, then this lease shall continue, but the obligation to pay rent on the part of CAC shall be reduced in an amount proportionate to the area and relative value of the entire premises taken by such condemnation. In the event all of the leased premises shall be taken, or so much of the leased premises is taken that it is not feasible to continue a reasonably satisfactory operation of the business of CAC, then the lease shall be terminated. Such termination shall be without prejudice to the rights of either COUNTY or CAC to recover compensation from the condemning authority for any loss or damage caused by such condemnation. Neither COUNTY nor CAC shall have any right in or to any award made to the other by the condemning authority.

15. **Destruction.** Except as otherwise provided in this lease, in the event the leased premises are damaged by fire or other casualty covered by the insurance required herein, such damage shall be repaired with reasonable dispatch by and at the expense of COUNTY. Until such repairs are completed, the rent payable hereunder shall be abated in proportion to the area of the leased premises which is rendered untenable by CAC in the conduct of its business. In the event that such repairs cannot, in the reasonable opinion of the parties, be substantially completed within one hundred twenty (120) days after the occurrence of such damage, or if more than fifty percent (50%) of the leased premises have been rendered unoccupiable as a result of such damage, or if there has been a declaration of any governmental authority that the leased premises are unsafe or unfit for occupancy, then COUNTY or CAC shall have the right to terminate this agreement, or any extensions thereof.

16. **Insolvency.** Neither this lease nor any interest therein, nor any estate thereby created, shall pass to any trustee or receiver or assignee for the benefit of creditors or otherwise by operation of law. In the event the estate created hereby shall be taken in execution or by other process of law, or if CAC shall be adjudicated insolvent pursuant to the provision of any state or insolvency act, or if a receiver or trustee of the property of CAC shall be appointed by reason of CAC's insolvency or inability to pay its debts, or if any assignment shall be made of CAC's property for the benefit of creditors, then and in any such event, COUNTY, may at its option, terminate this lease, or any extensions thereof, and all rights of CAC hereunder, by giving CAC notice in writing of the election of COUNTY to so terminate.

17. Assignment and Subletting. CAC shall not assign or in any manner transfer this agreement or any estate or interest herein without the express written previous consent of COUNTY.
18. Default. If CAC shall fail to make any payment of any invoice due to COUNTY hereunder within five (5) days of its due date, or if default shall continue in the performance of any of the other covenants or conditions which CAC is required to observe and perform under this lease for a period of thirty (30) days following written notice of such failure, or if CAC shall abandon or vacate the premises during the term of this lease, or if CAC shall cease to entirely own all business operations being carried on upon the premises, then COUNTY may, but need not, treat the occurrence of any one or more of the foregoing events as a breach of this lease, and thereupon may, at its option, without notice or demand of any kind to CAC have any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity:
- a. Terminate this lease, or any extensions thereof, repossess the leased premises, and be entitled to recover immediately, as liquidated agreed final damages, the total amount due to be paid by CAC during the balance of the initial term of this agreement, or any extensions thereof, less the fair rental value of the premises for said period, together with any sum of money owed by CAC to COUNTY.
 - b. Without waiving its right to terminate this lease, or any extensions thereof, terminate CAC's right of possession and repossess the leased premises without demand or notice of any kind to CAC, in which case COUNTY may relet all or any part of the leased premises. CAC shall be responsible for all costs of reletting. CAC shall pay COUNTY on demand any deficiency from such reletting or COUNTY's inability to do so.
 - c. Have specific performance of CAC's obligations.
 - d. Cure the default and recover the cost of curing the same being on demand.
19. Termination; Surrender of Possession.
- a. Upon the expiration or termination of this lease, or any extension thereof, CAC shall:
 - (i) Restore the leased premises to their condition at the beginning of the term (other than as contemplated by paragraph seven (8) of this lease, ordinary wear and tear excepted, remove all of its personal property

and trade fixtures from the leased premises and the property and repair any damage caused by such removal;

(ii) Surrender possession of the leased premises to COUNTY; and

(iii) Upon the request of COUNTY, at CAC's cost and expense, remove from the property all signs, symbols and trademarks pertaining to CAC's business and repair any damages caused by such removal.

b. If CAC shall fail or refuse to restore the leased premises as hereinabove provided, COUNTY may do so and recover its cost for so doing. COUNTY may, without notice, dispose of any property of CAC left upon the leased premises in any manner that COUNTY shall choose without incurring liability to CAC or to any other person. The failure of CAC to remove any property from the leased premises shall forever bar CAC from bringing any action or asserting any liability against COUNTY with respect to such property.

20. **Waiver.** One or more waivers of any covenant or condition by COUNTY shall not be construed as a waiver of a subsequent breach of the same covenant or condition, and the consent or approval by COUNTY to or of any act of CAC requiring COUNTY's consent or approval shall not be deemed to waive or render unnecessary COUNTY's consent or approval to or of any subsequent act by CAC.

21. **Notices.** All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been given if delivered personally, or if sent by first-class mail, postage prepaid, return receipt requested to the following, or to such other address as shall be furnished in writing to one party by the other:

GENERAL CONDITIONS

ARTICLE 6 GENERAL PROVISIONS

6.1 THE CONTRACT DOCUMENTS

The Contract Documents consist of this Agreement with Conditions of the Contract (General, Supplementary and other Conditions), Drawings, Specifications, Addenda issued prior to the execution of this Agreement, other documents listed in this Agreement and Modifications issued after execution of this Agreement. A Modification is (1) a written amendment to the Contract signed by both parties, (2) a Change Order, (3) a Construction Change Directive or (4) a written order for a minor change in the Work issued by the Architect. The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work by the Contractor. The Contract Documents are complementary, and what is required by one shall be as binding as if required by all; performance by the Contractor shall be required to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the indicated results.

6.2 THE CONTRACT

The Contract Documents form the Contract for Construction. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral. The Contract may be amended or modified only by a Modification. The Contract Documents shall not be construed to create a contractual relationship of any kind: (1) between the Architect and Contractor, (2) between the Owner and a Subcontractor or sub-subcontractor, (3) between the Owner and Architect or (4) between any persons or entities other than the Owner and Contractor.

6.3 THE WORK

The Work may constitute the whole or a part of the Project.

Execution of the Contract by the Contractor is a representation that the Contractor has visited the site, become generally familiar with local conditions under which the Work is to be performed and correlated personal observations with requirements of the Contract Documents.

6.5 OWNERSHIP AND USE OF ARCHITECT'S DRAWINGS, SPECIFICATIONS AND OTHER INSTRUMENTS OF SERVICE

The Drawings, Specifications and other documents, including those in electronic form, prepared by the Architect and the Architect's consultants are Instruments of Service through which the Work to be executed by the Contractor is described. All copies of them, except the Contractor's record set, shall be returned or suitably accounted for to the Architect, on request, upon completion of the Work. The Drawings, Specifications and other documents prepared by the Architect and the Architect's consultants, and copies thereof furnished to the Contractor, are for use solely with respect to this Project. sub-subcontractors and material or equipment suppliers are authorized to use and reproduce applicable portions of the Drawings, Specifications and other documents prepared by the Architect and the Architect's consultants appropriate to and for use in the execution of their Work under the Contract Documents. All copies made under this authorization shall bear the statutory copyright notice, if any, shown on the Drawings, Specifications and other documents prepared by the Architect and the Architect's consultants. Submittal or distribution to meet official regulatory requirements or for other purposes in connection with this Project is not to be construed as publication in derogation of the Architect's or Architect's consultants' copyrights or other reserved rights.

ARTICLE 7 OWNER

7.1 INFORMATION AND SERVICES REQUIRED OF THE OWNER

7.1.1 The Owner shall furnish and pay for surveys and a legal description of the site.

7.1.2 The Contractor shall be entitled to rely on the accuracy of information furnished by the Owner but shall exercise proper precautions relating to the safe performance of the Work.

7.1.3 Except for permits and fees which are the responsibility of the Contractor under the Contract Documents, the Owner shall secure and pay for other necessary approvals, easements, assessments and charges required for the construction, use or occupancy of permanent structures or permanent changes in existing facilities.

7.2 OWNER'S RIGHT TO STOP THE WORK

If the Contractor fails to correct Work which is not in accordance with the requirements of the Contract Documents, or persistently fails to carry out the Work in accordance with the Contract Documents, the Owner may issue a written order to the Contractor to stop the Work, or any portion thereof, until the cause for such order is eliminated; however, the right of the Owner to stop the Work shall not give rise to a duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity.

7.3 OWNER'S RIGHT TO CARRY OUT THE WORK

If the Contractor defaults or persistently fails or neglects to carry out the Work in accordance with the Contract Documents, or fails to perform a provision of the Contract, the Owner, after 10 days' written notice to the Contractor and without prejudice to any other remedy the Owner may have, may make good such deficiencies and may deduct the reasonable cost thereof, including Owner's expenses and compensation for the Architect's services made necessary thereby, from the payment then or thereafter due the Contractor.

ARTICLE 8 CONTRACTOR

8.1 REVIEW OF CONTRACT DOCUMENTS AND FIELD CONDITIONS BY CONTRACTOR

8.1.1 Since the Contract Documents are complementary, before starting each portion of the Work, the Contractor shall carefully study and compare the various Drawings and other Contract Documents relative to that portion of the Work, as well as the information furnished by the Owner pursuant to Subparagraph 7.1.1, shall take field measurements of any existing conditions related to that portion of the Work and shall observe any conditions at the site affecting it. These obligations are for the purpose of facilitating construction by the Contractor and are not for the purpose of discovering errors, omissions or inconsistencies in the Contract Documents; however, any errors, omissions or inconsistencies discovered by the Contractor shall be reported promptly to the Architect as a request for information in such form as the Architect may require.

8.1.2 Any design errors or omissions noted by the Contractor during this review shall be reported promptly to the Architect, but it is recognized that the Contractor's review is made in the Contractor's capacity as a contractor and not as a licensed design professional unless otherwise specifically provided in the Contract Documents.

8.2 SUPERVISION AND CONSTRUCTION PROCEDURES

8.2.1 The Contractor shall supervise and direct the Work, using the Contractor's best skill and attention. The Contractor shall be solely responsible for and have control over construction means, methods, techniques, sequences and procedures, and for coordinating all portions of the Work under the Contract, unless the Contract Documents give other specific instructions concerning these matters. If the Contract Documents give specific instructions concerning construction means, methods, techniques, sequences or procedures, the Contractor shall be fully and solely responsible for the jobsite safety thereof unless the Contractor gives timely written notice to the Owner and Architect that such means, methods, techniques, sequences or procedures may not be safe.

8.2.2 The Contractor shall be responsible to the Owner for acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and other persons or entities performing portions of the Work for or on behalf of the Contractor or any of its Subcontractors.

8.3 LABOR AND MATERIALS

8.3.1 Unless otherwise provided in the Contract Documents, the Contractor shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

8.3.2 The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

8.3.3 The Contractor shall deliver, handle, store and install materials in accordance with manufacturers' instructions.

8.3.4 The Contractor may make substitutions only with the consent of the Owner, after evaluation by the Architect and in accordance with a Change Order.

8.4 WARRANTY

The Contractor warrants to the Owner and Architect that materials and equipment furnished under the Contract will be of good quality and new unless otherwise required or permitted by the Contract Documents, that the Work will be free from defects not inherent in the quality required or permitted, and that the Work will conform with the requirements of the Contract Documents. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. The Contractor's warranty excludes remedy for damage or defect caused by abuse, modifications not executed by the Contractor, improper or insufficient maintenance, improper operation or normal wear and tear and normal usage.

8.5 TAXES

The Contractor shall pay sales, consumer, use and other similar taxes which are legally enacted when bids are received or negotiations concluded.

8.6 PERMITS, FEES AND NOTICES

8.6.1 Unless otherwise provided in the Contract Documents, the Contractor shall secure and pay for the building permit and other permits and governmental fees, licenses and inspections necessary for proper execution and completion of the Work.

8.6.2 The Contractor shall comply with and give notices required by laws, ordinances, rules, regulations and lawful orders of public authorities applicable to performance of the Work. The Contractor shall promptly notify the Architect and Owner if the Drawings and Specifications are observed by the Contractor to be at variance therewith. If the Contractor performs Work knowing it to be contrary to laws, statutes, ordinances, building codes, and rules and regulations without such notice to the Architect and Owner, the Contractor shall assume appropriate responsibility for such Work and shall bear the costs attributable to correction.

8.7 SUBMITTALS

8.7.1 The Contractor shall review for compliance with the Contract Documents, approve in writing and submit to the Architect Shop Drawings, Product Data, Samples and similar submittals required by the Contract Documents with reasonable promptness. The Work shall be in accordance with approved submittals.

8.7.2 Shop Drawings, Product Data, Samples and similar submittals are not Contract Documents.

8.8 USE OF SITE

The Contractor shall confine operations at the site to areas permitted by law, ordinances, permits and the Contract Documents and shall not unreasonably encumber the site with materials or equipment.

8.9 CUTTING AND PATCHING

The Contractor shall be responsible for cutting, fitting or patching required to complete the Work or to make its parts fit together properly.

8.10 CLEANING UP

The Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Contract. At completion of the Work, the Contractor shall remove from and about the Project waste materials, rubbish, the Contractor's tools, construction equipment, machinery and surplus material.

8.11 ROYALTIES, PATENTS AND COPYRIGHTS

The Contractor shall pay all royalties and license fees; shall defend suits or claims for infringement of copyrights and patent rights and shall hold the Owner and Architect harmless from loss on account thereof, but shall not be responsible for such defense or loss when a particular design, process or product of a particular manufacturer or manufacturers is required by the Contract Documents, or where the copyright violations are contained in Drawings, Specifications or other documents prepared by the Owner or Architect, unless the Contractor has reason to believe that there is an infringement of patent or copyright and fails to promptly furnish such information to the Architect.

8.12 ACCESS TO WORK

The Contractor shall provide the Owner and Architect access to the Work in preparation and progress wherever located.

8.13 INDEMNIFICATION

8.13.1 To the fullest extent permitted by law and to the extent claims, damages, losses or expenses are not covered by Project Management Protective Liability insurance purchased by the Contractor in accordance with Paragraph 16.3, the Contractor shall indemnify and hold harmless the Owner, Architect, Architect's consultants and agents and employees of any of them from and against claims, damages, losses, and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself), but only to the extent caused by the negligent acts or omissions of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Paragraph 8.13.

8.13.2 In claims against any person or entity indemnified under this Paragraph 8.13 by an employee of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under Subparagraph 8.13.1 shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor or Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

ARTICLE 9 ARCHITECT'S ADMINISTRATION OF THE CONTRACT

9.1 The Architect will provide administration of the Contract and will be an Owner's representative (1) during construction, (2) until final payment is due and (3) with the Owner's concurrence, from time to time during the one-year period for correction of Work described in Paragraph 17.2.

9.2 The Architect, as a representative of the Owner, will visit the site at intervals appropriate to the stage of the Contractor's operations (1) to become generally familiar with and to keep the Owner informed about the progress and quality of the portion of the Work completed, (2) to endeavor to guard the Owner against defects and deficiencies in the Work, and (3) to determine in general if the Work is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. The Architect will neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, since these are solely the Contractor's rights and responsibilities under the Contract Documents, except as provided in Subparagraph 8.2.1.

9.3 The Architect will not be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect will not have control over or charge of and will not be responsible for acts or omissions of the Contractor, Subcontractors, or their agents or employees, or any other persons or entities performing portions of the Work.

9.4 Based on the Architect's evaluations of the Work and of the Contractor's Applications for Payment, the Architect will review and certify the amounts due the Contractor and will issue Certificates for Payment in such amounts.

9.5 The Architect will have authority to reject Work that does not conform to the Contract Documents.

9.6 The Architect will review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents.

9.7 The Architect will interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect will make initial decisions on all claims, disputes and other matters in question between the Owner and Contractor but will not be liable for results of any interpretations or decisions so rendered in good faith.

9.8 The Architect's decisions on matters relating to aesthetic effect will be final if consistent with the intent expressed in the Contract Documents.

9.9 Duties, responsibilities and limitations of authority of the Architect as set forth in the Contract Documents shall not be restricted, modified or extended without written consent of the Owner, Contractor and Architect. Consent shall not be unreasonably withheld.

9.10 CLAIMS AND DISPUTES

9.10.1 Claims, disputes and other matters in question arising out of or relating to this Contract, including those alleging an error or omission by the Architect but excluding those arising under Paragraph 15.2, shall be referred initially to the Architect for decision. Such matters, except those relating to aesthetic effect and except those waived as provided for in Paragraph 9.11 and Subparagraphs 14.5.3 and 14.5.4, shall, after initial decision by the Architect or 30 days after submission of the matter to the Architect, be subject to mediation as a condition precedent to arbitration or the institution of legal or equitable proceedings by either party.

9.10.2 If a claim, dispute or other matter in question relates to or is the subject of a mechanic's lien, the party asserting such matter may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by the Architect, by mediation or by arbitration.

9.10.3 The parties shall endeavor to resolve their disputes by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the Construction Industry Mediation Rules of the American Arbitration Association currently in effect. Request for mediation shall be filed in writing with the other party to this Agreement and with the American Arbitration Association. The request may be made concurrently with the filing of a demand for arbitration but, in such event, mediation shall proceed in advance of arbitration or legal or equitable proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order.

9.10.4 Claims, disputes and other matters in question arising out of or relating to the Contract that are not resolved by mediation, except matters relating to aesthetic effect and except those waived as provided for in Paragraph 9.11 and Subparagraphs 14.5.3 and 14.5.4, shall be decided by arbitration which, unless the parties mutually agree otherwise, shall be in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association currently in effect. The demand for arbitration shall be filed in writing with the other party to this Agreement and with the American Arbitration Association and shall be made within a reasonable time after the dispute has arisen. The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Except by written consent of the person or entity sought to be joined, no arbitration arising out of or relating to the Contract Documents shall include, by consolidation, joinder or in any other manner, any person or entity not a party to the Agreement under which

such arbitration arises, unless it is shown at the time the demand for arbitration is filed that (1) such person or entity is substantially involved in a common question of fact or law, (2) the presence of such person or entity is required if complete relief is to be accorded in the arbitration, (3) the interest or responsibility of such person or entity in the matter is not insubstantial, and (4) such person or entity is not the Architect or any of the Architect's employees or consultants. The agreement herein among the parties to the Agreement and any other written agreement to arbitrate referred to herein shall be specifically enforceable under applicable law in any court having jurisdiction thereof.

9.11 CLAIMS FOR CONSEQUENTIAL DAMAGES

The Contractor and Owner waive claims against each other for consequential damages arising out of or relating to this Contract. This mutual waiver includes:

1. damages incurred by the Owner for rental expenses, for losses of use, income, profit, financing, business and reputation, and for loss of management or employee productivity or of the services of such persons; and
2. damages incurred by the Contractor for principal office expenses including the compensation of personnel stationed there, for losses of financing, business and reputation, and for loss of profit except anticipated profit arising directly from the Work.

This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination in accordance with Article 19. Nothing contained in this Paragraph 9.11 shall be deemed to preclude an award of liquidated direct damages, when applicable, in accordance with the requirements of the Contract Documents.

ARTICLE 10 SUBCONTRACTORS

10.1 A Subcontractor is a person or entity who has a direct contract with the Contractor to perform a portion of the Work at the site.

10.2 Unless otherwise stated in the Contract Documents or the bidding requirements, the Contractor, as soon as practicable after award of the Contract, shall furnish in writing to the Owner through the Architect the names of the Subcontractors for each of the principal portions of the Work. The Contractor shall not contract with any Subcontractor to whom the Owner or Architect has made reasonable and timely objection. If the proposed but rejected Subcontractor was reasonably capable of performing the Work, the Contract Sum and Contract Time shall be increased or decreased by the difference, if any, occasioned by such change, and an appropriate Change Order shall be issued before commencement of the substitute Subcontractor's Work. The Contractor shall not be required to contract with anyone to whom the Contractor has made reasonable objection.

10.3 Contracts between the Contractor and Subcontractors shall (1) require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by the terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities, including the responsibility for safety of the Subcontractor's Work, which the Contractor, by the Contract Documents, assumes toward the Owner and Architect, and (2) allow the Subcontractor the benefit of all rights, remedies and redress afforded to the Contractor by these Contract Documents.

ARTICLE 11 OWNER'S RIGHT TO PERFORM CONSTRUCTION AND TO AWARD SEPARATE CONTRACTS

11.1 The Owner reserves the right to perform construction or operations related to the Project with the Owner's own forces, and to award separate contracts in connection with other portions

of the Project or other construction or operations on the site under conditions of the contract identical or substantially similar to these, including those portions related to insurance and waiver of subrogation. If the Contractor claims that delay or additional cost is involved because of such action by the Owner, the Contractor shall make such claim as provided in Paragraph 9.10.

11.2 The Contractor shall afford the Owner and separate contractors reasonable opportunity for introduction and storage of their materials and equipment and performance of their activities, and shall connect and coordinate the Contractor's activities with theirs as required by the Contract Documents.

11.3 The Owner shall be reimbursed by the Contractor for costs incurred by the Owner which are payable to a separate contractor because of delays, improperly timed activities or defective construction of the Contractor. The Owner shall be responsible to the Contractor for costs incurred by the Contractor because of delays, improperly timed activities, damage to the Work or defective construction of a separate contractor.

ARTICLE 12 CHANGES IN THE WORK

12.1 The Owner, without invalidating the Contract, may order changes in the Work within the general scope of the Contract consisting of additions, deletions or other revisions, the Contract Sum and Contract Time being adjusted accordingly. Such changes in the Work shall be authorized by written Change Order signed by the Owner, Contractor and Architect, or by written Construction Change Directive signed by the Owner and Architect.

12.2 The cost or credit to the Owner from a change in the Work shall be determined by mutual agreement of the parties or, in the case of a Construction Change Directive, by the Contractor's cost of labor, material, equipment, and reasonable overhead and profit.

12.3 The Architect will have authority to order minor changes in the Work not involving adjustment in the Contract Sum or extension of the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes shall be effected by written order and shall be binding on the Owner and Contractor. The Contractor shall carry out such written orders promptly.

12.4 If concealed or unknown physical conditions are encountered at the site that differ materially from those indicated in the Contract Documents or from those conditions ordinarily found to exist, the Contract Sum and Contract Time shall be equitably adjusted.

ARTICLE 13 TIME

13.1 Time limits stated in the Contract Documents are of the essence of the Contract. By executing the Agreement the Contractor confirms that the Contract Time is a reasonable period for performing the Work.

13.2 The date of Substantial Completion is the date certified by the Architect in accordance with Subparagraph 14.4.2.

13.3 If the Contractor is delayed at any time in the commencement or progress of the Work by changes ordered in the Work, by labor disputes, fire, unusual delay in deliveries, abnormal adverse weather conditions not reasonably anticipatable, unavoidable casualties or any causes beyond the Contractor's control, or by other causes which the Architect determines may justify delay, then the Contract Time shall be extended by Change Order for such reasonable time as the Architect may determine, subject to the provisions of Paragraph 9.10.

ARTICLE 14 PAYMENTS AND COMPLETION

14.1 APPLICATIONS FOR PAYMENT

14.1.1 Payments shall be made as provided in Article 4 of this Agreement. Applications for Payment shall be in a form satisfactory to the Architect.

14.1.2 The Contractor warrants that title to all Work covered by an Application for Payment will pass to the Owner no later than the time of payment. The Contractor further warrants that upon submittal of an Application for Payment all Work for which Certificates for Payment have been previously issued and payments received from the Owner shall, to the best of the Contractor's knowledge, information and belief, be free and clear of liens, claims, security interests or other encumbrances adverse to the Owner's interests.

14.2 CERTIFICATES FOR PAYMENT

14.2.1 The Architect will, within seven days after receipt of the Contractor's Application for Payment, either issue to the Owner a Certificate for Payment, with a copy to the Contractor, for such amount as the Architect determines is properly due, or notify the Contractor and Owner in writing of the Architect's reasons for withholding certification in whole or in part as provided in Subparagraph 14.2.3.

14.2.2 The issuance of a Certificate for Payment will constitute a representation by the Architect to the Owner, based on the Architect's evaluations of the Work and the data comprising the Application for Payment, that the Work has progressed to the point indicated and that, to the best of the Architect's knowledge, information and belief, the quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to results of subsequent tests and inspections, to correction of minor deviations from the Contract Documents prior to completion and to specific qualifications expressed by the Architect. The issuance of a Certificate for Payment will further constitute a representation that the Contractor is entitled to payment in the amount certified. However, the issuance of a Certificate for Payment will not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) made examination to ascertain how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

14.2.3 The Architect may withhold a Certificate for Payment in whole or in part, to the extent reasonably necessary to protect the Owner, if in the Architect's opinion the representations to the Owner required by Subparagraph 14.2.2 cannot be made. If the Architect is unable to certify payment in the amount of the Application, the Architect will notify the Contractor and Owner as provided in Subparagraph 14.2.1. The Architect may also withhold a Certificate for Payment or, because of subsequently discovered evidence, may nullify the whole or a part of a Certificate for Payment previously issued, to such extent as may be necessary in the Architect's opinion to protect the Owner from loss for which the Contractor is responsible, including loss resulting from acts and omissions described in Subparagraph 8.2.2, because of:

1. defective Work not remedied;
2. third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the Owner is provided by the Contractor;
3. failure of the Contractor to make payments properly to Subcontractors or for labor, materials or equipment;
4. reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum;
5. damage to the Owner or another contractor;

- .6 reasonable evidence that the Work will not be completed within the Contract Time and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or
- .7 persistent failure to carry out the Work in accordance with the Contract Documents.

14.2.4 When the above reasons for withholding certification are removed, certification will be made for amounts previously withheld.

14.3 PAYMENTS TO THE CONTRACTOR

14.3.1 The Contractor shall promptly pay each Subcontractor, upon receipt of payment from the Owner, out of the amount paid to the Contractor on account of such Subcontractor's portion of the Work, the amount to which said Subcontractor is entitled, reflecting percentages actually retained from payments to the Contractor on account of such Subcontractor's portion of the Work. The Contractor shall, by appropriate agreement with each Subcontractor, require each Subcontractor to make payments to sub-subcontractors in similar manner.

14.3.2 Neither the Owner nor Architect shall have an obligation to pay or see to the payment of money to a Subcontractor except as may otherwise be required by law.

14.3.3 A Certificate for Payment, a progress payment, or partial or entire use or occupancy of the Project by the Owner shall not constitute acceptance of Work not in accordance with the Contract Documents.

14.4 SUBSTANTIAL COMPLETION

14.4.1 Substantial Completion is the stage in the progress of the Work when the Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work for its intended use.

14.4.2 When the Architect determines that the Work or designated portion thereof is substantially complete, the Architect will issue a Certificate of Substantial Completion which shall establish the date of Substantial Completion, establish responsibilities of the Owner and Contractor for security, maintenance, heat, utilities, damage to the Work and insurance, and fix the time within which the Contractor shall finish all items on the list accompanying the Certificate. Warranties required by the Contract Documents shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion. Upon the issuance of the Certificate of Substantial Completion, the Architect will submit it to the Owner and Contractor for their written acceptance of responsibilities assigned to them in such Certificate

14.5 FINAL COMPLETION AND FINAL PAYMENT

14.5.1 Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the Architect will promptly make such inspection and, when the Architect finds the Work acceptable under the Contract Documents and the Contract fully performed, the Architect will promptly issue a final Certificate for Payment stating that to the best of the Architect's knowledge, information and belief, and on the basis of the Architect's on-site visits and inspections, the Work has been completed in accordance with terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor and noted in the final Certificate is due and payable. The Architect's final Certificate for Payment will constitute a further representation that conditions stated in Subparagraph 14.5.2 as precedent to the Contractor's being entitled to final payment have been fulfilled.

14.5.2 Final payment shall not become due until the Contractor has delivered to the Owner a complete release of all liens arising out of this Contract or receipts in full covering all labor,

materials and equipment for which a lien could be filed, or a bond satisfactory to the Owner to indemnify the Owner against such lien. If such lien remains unsatisfied after payments are made, the Contractor shall refund to the Owner all money that the Owner may be compelled to pay in discharging such lien, including costs and reasonable attorneys' fees.

14.5.3 The making of final payment shall constitute a waiver of claims by the Owner except those arising from:

1. liens, claims, security interests or encumbrances arising out of the Contract and unsettled;
2. failure of the Work to comply with the requirements of the Contract Documents; or
3. terms of special warranties required by the Contract Documents.

14.5.4 Acceptance of final payment by the Contractor, a Subcontractor or material supplier shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final Application for Payment.

ARTICLE 15 PROTECTION OF PERSONS AND PROPERTY

15.1 SAFETY PRECAUTIONS AND PROGRAMS

The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the performance of the Contract. The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to:

1. employees on the Work and other persons who may be affected thereby;
2. the Work and materials and equipment to be incorporated therein; and
3. other property at the site or adjacent thereto.

The Contractor shall give notices and comply with applicable laws, ordinances, rules, regulations and lawful orders of public authorities bearing on safety of persons and property and their protection from damage, injury or loss. The Contractor shall promptly remedy damage and loss to property caused in whole or in part by the Contractor, a Subcontractor, a sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible under Subparagraphs 15.1.2 and 15.1.3, except for damage or loss attributable to acts or omissions of the Owner or Architect or by anyone for whose acts either of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Paragraph 8.13.

15.2 HAZARDOUS MATERIALS

15.2.1 If reasonable precautions will be inadequate to prevent foreseeable bodily injury or death to persons resulting from a material or substance, including but not limited to asbestos or polychlorinated biphenyl (PCB), encountered on the site by the Contractor, the Contractor shall, upon recognizing the condition, immediately stop Work in the affected area and report the condition to the Owner and Architect in writing. When the material or substance has been rendered harmless, Work in the affected area shall resume upon written agreement of the Owner and Contractor. The Contract Time shall be extended appropriately and the Contract Sum shall be increased in the amount of the Contractor's reasonable additional costs of shutdown, delay and start-up, which adjustments shall be accomplished as provided in Article 12 of this Agreement.

15.2.2 To the fullest extent permitted by law, the Owner shall indemnify and hold harmless the Contractor, Subcontractors, Architect, Architect's consultants and agents and employees of any of them from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work in the affected area if in fact the material or substance presents the risk of bodily injury or death as described in

Subparagraph 15.2.1 and has not been rendered harmless, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself), and provided that such damage, loss or expense is not due to the sole negligence of a party seeking indemnity.

15.2.3 If, without negligence on the part of the Contractor, the Contractor is held liable for the cost of remediation of a hazardous material or substance solely by reason of performing Work as required by the Contract Documents, the Owner shall indemnify the Contractor for all cost and expense thereby incurred.

ARTICLE 16 INSURANCE

16.1 The Contractor shall purchase from and maintain in a company or companies lawfully authorized to do business in the jurisdiction in which the Project is located insurance for protection from claims under workers' compensation acts and other employee benefit acts which are applicable, claims for damages because of bodily injury, including death, and claims for damages, other than to the Work itself, to property which may arise out of or result from the Contractor's operations under the Contract, whether such operations be by the Contractor or by a Subcontractor or anyone directly or indirectly employed by any of them. This insurance shall be written for not less than limits of liability specified in the Contract Documents or required by law, whichever coverage is greater, and shall include contractual liability insurance applicable to the Contractor's obligations. Certificates of Insurance acceptable to the Owner shall be filed with the Owner prior to commencement of the Work. Each policy shall contain a provision that the policy will not be canceled or allowed to expire until at least 30 days' prior written notice has been given to the Owner.

16.2 OWNER'S LIABILITY INSURANCE

The Owner shall be responsible for purchasing and maintaining the Owner's usual liability insurance.

16.3 PROJECT MANAGEMENT PROTECTIVE LIABILITY INSURANCE

16.3.1 Optionally, the Owner may require the Contractor to purchase and maintain Project Management Protective Liability insurance from the Contractor's usual sources as primary coverage for the Owner's, Contractor's and Architect's vicarious liability for construction operations under the Contract. Unless otherwise required by the Contract Documents, the Owner shall reimburse the Contractor by increasing the Contract Sum to pay the cost of purchasing and maintaining such optional insurance coverage, and the Contractor shall not be responsible for purchasing any other liability insurance on behalf of the Owner. The minimum limits of liability purchased with such coverage shall be equal to the aggregate of the limits required for Contractor's Liability insurance under Paragraph 16.1.

16.3.2 To the extent damages are covered by Project Management Protective Liability insurance, the Owner, Contractor and Architect waive all rights against each other for damages, except such rights as they may have to the proceeds of such insurance. The policy shall provide for such waivers of subrogation by endorsement or otherwise.

16.3.3 The Owner shall not require the Contractor to include the Owner, Architect or other persons or entities as additional insureds on the Contractor's Liability insurance under Paragraph 16.1.

16.4 PROPERTY INSURANCE

16.4.1 Unless otherwise provided, the Owner shall purchase and maintain, in a company or companies lawfully authorized to do business in the jurisdiction in which the Project is located,

property insurance on an "all-risk" policy form, including builder's risk, in the amount of the initial Contract Sum, plus the value of subsequent modifications and cost of materials supplied and installed by others, comprising total value for the entire Project at the site on a replacement cost basis without optional deductibles. Such property insurance shall be maintained, unless otherwise provided in the Contract Documents or otherwise agreed in writing by all persons and entities who are beneficiaries of such insurance, until final payment has been made as provided in Paragraph 14.5 or until no person or entity other than the Owner has an insurable interest in the property required by this Paragraph 16.4 to be covered, whichever is later. This insurance shall include interests of the Owner, the Contractor, Subcontractors and sub-subcontractors in the Project.

16.4.2 The Owner shall file a copy of each policy with the Contractor before an exposure to loss may occur. Each policy shall contain a provision that the policy will not be canceled or allowed to expire, and that its limits will not be reduced, until at least 30 days' prior written notice has been given to the Contractor.

16.5 WAIVERS OF SUBROGATION

16.5.1 The Owner and Contractor waive all rights against (1) each other and any of their subcontractors, sub-subcontractors, agents and employees, each of the other, and (2) the Architect, Architect's consultants, separate contractors described in Article 11, if any, and any of their subcontractors, sub-subcontractors, agents and employees for damages caused by fire or other causes of loss to the extent covered by property insurance obtained pursuant to Paragraph 16.4 or other property insurance applicable to the Work, except such rights as they have to proceeds of such insurance held by the Owner as fiduciary. The Owner or Contractor, as appropriate, shall require of the Architect, Architect's consultants, separate contractors described in Article 11, if any, and the subcontractors, sub-subcontractors, agents and employees of any of them, by appropriate agreements, written where legally required for validity, similar waivers each in favor of other parties enumerated herein. The policies shall provide such waivers of subrogation by endorsement or otherwise. A waiver of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurable interest in the property damaged.

16.5.2 A loss insured under the Owner's property insurance shall be adjusted by the Owner as fiduciary and made payable to the Owner as fiduciary for the insureds, as their interests may appear, subject to requirements of any applicable mortgagee clause. The Contractor shall pay Subcontractors their just shares of insurance proceeds received by the Contractor, and by appropriate agreements, written where legally required for validity, shall require Subcontractors to make payments to their sub-subcontractors in similar manner.

ARTICLE 17 CORRECTION OF WORK

17.1 The Contractor shall promptly correct Work rejected by the Architect or failing to conform to the requirements of the Contract Documents, whether discovered before or after Substantial Completion and whether or not fabricated, installed or completed. Costs of correcting such rejected Work, including additional testing and inspections and compensation for the Architect's services and expenses made necessary thereby, shall be at the Contractor's expense.

17.2 In addition to the Contractor's obligations under Paragraph 8.4, if, within one year after the date of Substantial Completion of the Work or designated portion thereof or after the date for commencement of warranties established under Subparagraph 14.4.2, or by terms of an applicable special warranty required by the Contract Documents, any of the Work is found to be not in accordance with the requirements of the Contract Documents, the Contractor shall correct it

promptly after receipt of written notice from the Owner to do so unless the Owner has previously given the Contractor a written acceptance of such condition. The Owner shall give such notice promptly after discovery of the condition. During the one-year period for correction of Work, if the Owner fails to notify the Contractor and give the Contractor an opportunity to make the correction, the Owner waives the rights to require correction by the Contractor and to make a claim for breach of warranty.

17.3 If the Contractor fails to correct nonconforming Work within a reasonable time, the Owner may correct it in accordance with Paragraph 7.3.

17.4 The one-year period for correction of Work shall be extended with respect to portions of Work first performed after Substantial Completion by the period of time between Substantial Completion and the actual performance of the Work.

17.5 The one-year period for correction of Work shall not be extended by corrective Work performed by the Contractor pursuant to this Article 17.

ARTICLE 18 MISCELLANEOUS PROVISIONS

18.1 ASSIGNMENT OF CONTRACT

Neither party to the Contract shall assign the Contract without written consent of the other.

18.2 GOVERNING LAW

The Contract shall be governed by the law of the place where the Project is located.

18.3 TESTS AND INSPECTIONS

Tests, inspections and approvals of portions of the Work required by the Contract Documents or by laws, ordinances, rules, regulations or orders of public authorities having jurisdiction shall be made at an appropriate time. Unless otherwise provided, the Contractor shall make arrangements for such tests, inspections and approvals with an independent testing laboratory or entity acceptable to the Owner, or with the appropriate public authority, and shall bear all related costs of tests, inspections and approvals. The Contractor shall give the Architect timely notice of when and where tests and inspections are to be made so that the Architect may be present for such procedures. The Owner shall bear costs of tests, inspections or approvals which do not become requirements until after bids are received or negotiations concluded.

18.4 COMMENCEMENT OF STATUTORY LIMITATION PERIOD

As between Owner and Contractor, any applicable statute of limitations shall commence to run and any alleged cause of action shall be deemed to have accrued:

1. not later than the date of Substantial Completion for acts or failures to act occurring prior to the relevant date of Substantial Completion;
2. not later than the date of issuance of the final Certificate for Payment for acts or failures to act occurring subsequent to the relevant date of Substantial Completion and prior to the issuance of the final Certificate for Payment; and
3. not later than the date of the relevant act or failure to act by the Contractor for acts or failures to act occurring after the date of the final Certificate for Payment.

ARTICLE 19 TERMINATION OF THE CONTRACT

19.1 TERMINATION BY THE CONTRACTOR

If the Architect fails to recommend payment for a period of 30 days through no fault of the Contractor, or if the Owner fails to make payment thereon for a period of 30 days, the Contractor may, upon seven additional days' written notice to the Owner and the Architect, terminate the

Contract and recover from the Owner payment for Work executed and for proven loss with respect to materials, equipment, tools, and construction equipment and machinery, including reasonable overhead, profit and damages applicable to the Project.

19.2 TERMINATION BY THE OWNER

19.2.1 The Owner may terminate the Contract if the Contractor:

- 1 persistently or repeatedly refuses or fails to supply enough properly skilled workers or proper materials;
- 2 fails to make payment to Subcontractors for materials or labor in accordance with the respective agreements between the Contractor and the Subcontractors;
- 3 persistently disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction; or
- 4 otherwise is guilty of substantial breach of a provision of the Contract Documents.

19.2.2 When any of the above reasons exists, the Owner, upon certification by the Architect that sufficient cause exists to justify such action, may, without prejudice to any other remedy the Owner may have and after giving the Contractor seven days' written notice, terminate the Contract and take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by the Contractor and may finish the Work by whatever reasonable method the Owner may deem expedient. Upon request of the Contractor, the Owner shall furnish to the Contractor a detailed accounting of the costs incurred by the Owner in finishing the Work.

19.2.3 When the Owner terminates the Contract for one of the reasons stated in Subparagraph 19.2.1, the Contractor shall not be entitled to receive further payment until the Work is finished.

19.2.4 If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, including compensation for the Architect's services, and expenses made necessary thereby, and other damages incurred by the Owner and not expressly waived, such excess shall be paid to the Contractor. If such costs and damages exceed the unpaid balance, the Contractor shall pay the difference to the Owner. The amount to be paid to the Contractor or Owner, as the case may be, shall be certified by the Architect, upon application, and this obligation for payment shall survive termination of the Contract.

From: Rebecca McNeil *R McNeil*
McLean County Treasurer

On May 18, 1999, the McLean County Board entered into a service agreement with Joseph Meyer and Associates to create a Delinquent Real Estate Tax Liquidation Program. This agreement was entered into in conjunction with the specifications in section 35ILCS 200/21-90 of the property tax code. The primary goal of the program is to recover delinquent real estate taxes for the benefit of all taxing districts. The second goal is to return unproductive and abandoned parcels back to productive use and subsequently, the tax rolls of the County.

The 2008 surplus auction included our full portfolio of 15 parcels. A bid in the amount of \$500.00 was submitted on parcel (15) 30-20-426-001 by Leroy Fertilizer Services.

The property taxes on parcel (15) 30-20-426-001 were originally unpaid for tax year 1998 and were sold at the 1999 annual tax sale. The subsequent taxes were also left unpaid for tax year 1999 and 2000. The parcel owner failed to redeem these taxes and the prior forfeited taxes for a total of \$3,000.22. In accordance with the Illinois property tax code, the County of McLean acquired title in 2002 through the Delinquent Real Estate Tax Liquidation Program.

I respectfully request that the McLean County Finance Committee and the McLean County Board approve the following resolution to authorize the Chairman of the McLean County Board to execute a deed of conveyance on parcel (15) 30-20-426-001 to LeRoy Fertilizer Services. Approval of this resolution will eliminate the County's formal interest in this parcel and return it to the active tax rolls.

Thank you for your consideration.

Members Owens/Cavallini moved the County Board approve a Request for Approval of a Resolution to Authorize the Chairman of the McLean County Board to Execute a Deed of Conveyance on Parcel (15) 30-20-426-0001 to LeRoy Fertilizer Services - Treasurer's Office. Clerk Milton shows all Members present voting in favor of the Motion. Motion carried.

Member Owens, Chairman, presented the following:

Members Owens/Rackauskas moved the County Board approve a Request for Approval of a Rescission Agreement with MAXIMUS, INC. Clerk Milton shows all Members present voting in favor of the Motion. Motion carried.

Member Owens stated that last month the Board approved an Agreement with Maximus, Inc. Less than two weeks later, Maximus informed us that they have sold off that portion of their business. Since we entered into an Agreement with Maximus, Inc., we are now rescinding the Agreement and putting it out for rebid.

Member Owens, Chairman, stated that the General Report can be found on pages 196-245.

Re: FY 08 Congressionally Mandated Grant - Drug Court

In June, the McLean County Board granted the court services department permission to apply for a FY 2008 Congressionally Mandated Award for the county's drug court program. On September 16, 2008, the court services department received notification that the application has been approved in the amount of \$333,002.

I am now requesting approval to accept the grant. The attached postaward document that requires Chairman Sorensen's signature and instructions are attached to this memo. I will be present at the Justice Committee meeting, to answer any questions you may have.

Thank you for your consideration in this matter.

Chairman Matt Sorensen
McLean County
104 W Front Street
Bloomington, IL 61702-2400

Dear Chairman Sorensen:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of Federal funding to compliance with Federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice is responsible for ensuring that recipients of financial aid from OJP, its component offices and bureaus, the Office on Violence Against Women (OVW), and the Office of Community Oriented Policing Services (COPS) comply with applicable Federal civil rights statutes and regulations. We at OCR are available to help you and your organization meet the civil rights requirements that come with Justice Department funding.

Ensuring Access to Federally Assisted Programs

As you know, Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of Federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website at <http://www.lep.gov>.

Ensuring Equal Treatment for Faith-Based Organizations

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of all Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, requires State Administering Agencies to treat these organizations the same as any other applicant or recipient. The regulation prohibits State Administering Agencies from making award or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see OCR's website at <http://www.ojp.usdoj.gov/ocr/etfbo.htm>.

State Administering Agencies and faith-based organizations should also note that the Safe Streets Act, as amended; the Victims of Crime Act, as amended; and the Juvenile Justice and Delinquency Prevention Act, as amended, contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit faith-based organizations applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering of religion in employment decisions by grantees.

Questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment may be directed to this Office.

Enforcing Civil Rights Laws

All recipients of Federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to the prohibitions against unlawful discrimination. Accordingly, OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal employment opportunity standards.

Complying with the Safe Streets Act or Program Requirements

In addition to these general prohibitions, an organization which is a recipient of financial assistance subject to the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, 42 U.S.C. § 3789d(c), or other Federal grant program requirements, must meet two additional requirements: (1) complying with Federal regulations pertaining to the development of an Equal Employment Opportunity Plan (EEOP), 28 C.F.R. § 42.301-.308, and (2) submitting to OCR Findings of Discrimination (see 28 C.F.R. §§ 42.205(5) or 31.202(5)).

1) Meeting the EEOP Requirement

In accordance with Federal regulations, Assurance No. 6 in the Standard Assurances, COPS Assurance No. 8.B, or certain Federal grant program requirements, your organization must comply with the following EEOP reporting requirements:

If your organization has received an award for \$500,000 or more and has 50 or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare an EEOP and submit it to OCR for review **within 60 days from the date of this letter**. For assistance in developing an EEOP, please consult OCR's website at <http://www.ojp.usdoj.gov/ocr/eeop.htm>. You may also request technical assistance from an EEOP specialist at OCR by dialing (202) 616-3208.

If your organization received an award between \$25,000 and \$500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form can be found at <http://www.ojp.usdoj.gov/ocr/eeop.htm>.

If your organization received an award for less than \$25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the Certification Form and return it to OCR. The Certification Form can be found at <http://www.ojp.usdoj.gov/ocr/eeop.htm>.

2) Submitting Findings of Discrimination

In the event a Federal or State court or Federal or State administrative agency makes an adverse finding of discrimination against your organization after a due process hearing, on the ground of race, color, religion, national origin, or sex, your organization must submit a copy of the finding to OCR for review.

Ensuring the Compliance of Subrecipients

If your organization makes subawards to other agencies, you are responsible for assuring that subrecipients also comply with all of the applicable Federal civil rights laws, including the requirements pertaining to developing and submitting an EEOP, reporting Findings of Discrimination, and providing language services to LEP persons. State agencies that make subawards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

If we can assist you in any way in fulfilling your civil rights responsibilities as a recipient of Federal funding, please call OCR at (202) 307-0690 or visit our website at <http://www.ojp.usdoj.gov/ocr/>.

The Edward Byrne Memorial Discretionary Grants Program (Byrne Discretionary Program) helps local communities improve the capacity of local justice systems and provides for national support efforts. This project is authorized and funded through a line item in the FY 08 Congressional Budget. Funds should be used for purposes recommended by Congress.

The McLean County Court Services will enhance the County's Drug Court and evaluate its effectiveness. The McLean County Drug Court has been in operation since 2006 through a BJA Drug Court Planning grant, with 30 current participants and a capacity of 50, and faces three gaps in services that need to be addressed. Those needs include program evaluation, mental health treatment, and family support services.

While data has been collected since its inception, it has not been used to determine whether the program's goals are being met and if changes need to be made to improve the program. The County will address the mental health treatment gap in service by contracting with a licensed therapist to provide mental health assessments and individual counseling for the vast majority of drug court clients with mental health issues. Also important to the success of drug court participants is family involvement, improving relationships with family members, and improving parenting skills. Funding will be used to develop a formal family unit program and parenting classes.

Members Renner/Cavallini moved the County Board approve a Request for Approval to Accept a Grant in the amount of \$333,002.00 from the Department of Justice for the McLean County Drug Court - Court Services. Clerk Milton shows all Members present voting in favor of the Motion. Motion carried.

Member Renner, Chairman presented the following:

**INTERGOVERNMENTAL AGREEMENT
BETWEEN THE CITY OF BLOOMINGTON
THE COUNTY OF MCLEAN
AND THE TOWN OF NORMAL
REGULATING THE USE BY THE COUNTY OF MCLEAN
AND THE TOWN OF NORMAL
OF THE POLICE SHOOTING RANGE FACILITY
OF THE CITY OF BLOOMINGTON**

WHEREAS, under Article 7, Section 10, of the 1970 Illinois Constitution, units of local government may contract among themselves to obtain or share services and to exercise, combine, or transfer any power or function, in any manner not prohibited by law or ordinance; and

WHEREAS, the City of Bloomington and the Town of Normal are home rule municipalities under Article 7, section 6, of the 1970 Illinois Constitution; and

WHEREAS, the County of McLean is a unit of local government exercising power under the Illinois Counties Code (55 ILCS 5/1-1001, et seq.); and

WHEREAS, the City of Bloomington, the County of McLean, and the Town of Normal desire to agree on the manner in which Law Enforcement Agencies use the Police Shooting Range owned by the City of Bloomington; and

WHEREAS, the McLean County Board, the Board of Trustees of the Town of Normal, and the Bloomington City Council have, by appropriate actions, authorized this Agreement,

I. STATEMENT OF PURPOSE

The shooting range owned by the City of Bloomington is intended to supply training supplemental to the training required by the Police Training Act (50 ILCS 705/1 et seq.) and the Firearms Training for Peace Officers Act (50 ILCS 710/1, et seq.). The facility is owned by the City of Bloomington and is located in Martin Township in unincorporated McLean County.

II. DEFINITIONS

When used in the Agreement, the following terms shall have the meaning indicated:

“Agency / Agencies”: The Town of Normal and the County of McLean Police Agencies.

“Chief”: The City of Bloomington Chief of Police or his designee.

“Facility”: The City of Bloomington Police Shooting Range

III. ADMINISTRATION

The facility shall be administered by the Chief.

IV. USE OF THE FACILITY

The City of Bloomington shall permit the agencies to use the facility under the following conditions.

A. Scheduling

Agencies will submit requests to the Chief by May 1st for the following year. The Chief shall establish a master schedule each year for the use of the facility. Each agency will be assigned 25 shooting dates for the year. A proposed schedule will be given to the agencies for their review. Each agency will be responsible for notifying the Chief of any problems with the scheduled dates. The Chief will issue a final schedule.

Should an agency be unable to use the range during a scheduled time after the final schedule has been issued, the Chief will assign that agency an alternate date if one is available and the agency requests one. Likewise, if the range becomes unavailable on a date scheduled for use by either agency, the Chief will schedule an alternate date if desired. The Chief will assign alternate dates only upon request. The Chief will make every effort to provide 25 shooting dates per year for each agency; however, the agency may receive fewer dates if scheduling problems occur that are beyond the control of the Chief.

Each agency may schedule shooting dates in addition to those listed on the master schedule on an as needed basis by contacting the Chief. There shall be no limit on the number of times any agency may use the shooting range during a given year, but requests for use will be subject to range availability. The agencies understand and agree that rescheduling canceled dates from the master schedule shall take precedence over scheduling any additional shooting time.

B. Supervision

Agencies shall comply with the conditions of the Special Use Permit for the range property issued by the McLean County Board, a copy of which has been previously supplied and is incorporated herein by reference.

Each agency shall be required to provide a range officer who shall be present at all times the agency uses the facility. The use of the facility shall be conditioned on the agency providing the Chief a current list of approved range officers employed by the agency using the range. Failing to provide the list or to keep it current, shall be grounds to refuse to allow the agency to use the facility.

C. Equipment

Agencies using the shooting range shall provide their own ammunition, targets, and related equipment.

The indoor range will be limited to use of lead free ammunition only. Any agency using lead ammunition will be responsible for the cost of lead abatement at the facility as well as for any additional losses suffered by the City of Bloomington in relation to the use of lead ammunition, including loss of use of the facility during such time as needed to abate the property.

D. Damage

Each agency using the shooting range shall be responsible for damages that were due to negligence, or misuse of site equipment. Damages associated with regular wear and tear of the equipment are the responsibility of the City of Bloomington.

The range master for each agency shall inspect the shooting range site for any damage at the beginning of each day the range is used by the requesting agency and shall notify the Bloomington Police Department as soon as reasonably possible of such damage. If such notification is not made, the agency shall be billed for any damage discovered at the shooting range site after such agency used the range.

E. Annual Range Preparation

The Bloomington Police Department seeks assistance from the other agencies in preparing the shooting ranges for annual use. All three agencies agree to assign a minimum of one range officer, (if requested) and preferably each Department's head range instructor, for forty (40) hours per year to perform range preparation duties.

V. RANGE FEES / BILLING

Each agency will pay the City of Bloomington an annual fee of seven thousand seven hundred and fifty dollars (\$7,750.00) for use of the facility for 2008-2009. This fee shall be paid on January 1st of each year and shall represent payment for use from previous July 1 to current year June. The fee shall be the same regardless of the number of times the agency uses the facility during the year. Fees will increase three percent (3%) each July 1st, starting 2009, payable January 2010.

VI. MAINTENANCE

The City of Bloomington will maintain the current physical facility and upkeep of the property as it is as of July 1st. However, during the term of this Agreement, the City of Bloomington shall remove the gravel on the pistol shooting side and fill it in with concrete, pour a concrete pad for a future "entry house", and increase the size of the rifle range, if feasible. If an agency cannot use the facility because it is not in operating condition (defined as the ability to qualify by state standards) on a scheduled shooting date, that agency may receive a reduction in the annual fee, but only under the following conditions: There shall be no reduction in the fee if the agency receives 25 shooting dates during the year. If any agency receives fewer than 25 shooting dates a reduction shall be made only for those dates missed because of operational conditions with the facility. To receive a fee reduction under those circumstances the agency must contact the Chief or his designee immediately to report that the facility is not in operating condition and remain at the facility, if requested to do

so, until the Chief or his designee can verify and document the problem. An agency entitled to reduction shall receive \$280.00 for each scheduled shooting date missed.

VII. LIABILITY

Each of the parties to this Agreement shall insure themselves or obtain insurance in an aggregate amount of \$1,000,000.00 (one million dollars) per incident for claims or judgments against them arising from the construction, management, operation, or maintenance of the Training Facility established by the agreement. Each party to this Agreement shall indemnify and hold harmless the other parties to this Agreement against all liability arising for injury to person or property resulting from the acts of each party's own employees.

In the event an employee of any jurisdiction which is a party to this Agreement is injured in such a manner as to require the jurisdiction employing said officer to pay claims to said officer under the Worker's Compensation Act, the expenses for such injury shall be borne by the jurisdiction employing the officer and shall not be subject to contribution from the other two jurisdictions entering into this Agreement.

Each party to the Agreement shall waive any claims for damages or injury which it may have a right to assert against any other party to this Agreement which arises from the management, operation, or maintenance of the Training Facility established by this Agreement, excepting claims for misappropriation of funds and claims for damages or injury resulting from willful or wanton conduct of an employee of a party to the Agreement.

Nothing in the Agreement is intended to modify or waive the protections each party has under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1-101 et seq.).

VIII. AMENDMENT OF AGREEMENT

This Agreement may be amended from time to time as deemed appropriate by the parties to the Agreement. Any party wishing to withdraw is required to give thirty days notice of such intention to the other parties to this Agreement before June 1st of any year effective July 1st of that year.

IX. TERM

This Agreement shall remain in full force and effect for a period of three (3) years, beginning on July 1, 2008 and terminating on June 30, 2011. First payment is due January 1, 2009.

X. SEVERABILITY

In the event any portion of this Agreement is held by any court to be unconstitutional or in excess of the powers granted by law to the parties to this Agreement, such ruling or findings shall not void

this Agreement, but shall instead be deemed to have severed such provisions from the remainder of this Agreement.

Members Renner/Segobiano moved the County Board approve a Request for Approval of an Intergovernmental Agreement between the City of Bloomington, the County of McLean and the Town of Normal Regulating the use by the County of McLean And The Town of Normal of the Police Shooting Range Facility of the City of Bloomington - Sheriff's Department. Clerk Milton shows all Members present voting in favor of the Motion. Motion carried.

Member Renner, Chairman, presented the following: The General Report can be found on pages 264-284.

LAND USE AND DEVELOPMENT COMMITTEE:

Member Gordon, Chairman stated that they had no items for action and the General Report can be found on pages 285-291.

REPORT OF THE COUNTY ADMINISTRATOR:

Mr. Zeunik stated the following: Nothing to bring before the board this morning.

Member Gordon stated that he is very pleased that the County has received the grant for McLean County Drug Court. What is the status of other possible moves in the direction that the Drug Court takes us, specifically like a mental health court? Mr. Zeunik stated that at this time it is his understanding that there is a committee that has been established by Chief Judge Robb to explore the options of a Mental Health Court. This committee has been meeting on a regular basis. They have also involved some local providers who provide mental health services. An application has been prepared and submitted to apply for planning grant. He does not know if we received it or not. There was a planning grant available from the Department of Justice in the amount of \$50,000 to help plan for the development of the Mental Health Court. He does not know if that has been reviewed or approved in Washington. That is where we are at this particular time. The situation is similar to the interoffice group that reviewed the development of a Drug Court. They did receive a planning grant for that purpose. It was very helpful because it allowed members of the Court, Court services, the State's Attorney's Office, and the Public Defender's Office, to actually meet and visit with other Drug Courts and to also attend conferences put on by the Department Of Justice. He asked McLean County State's Attorney, Mr. William Yoder if would like to add anything? Mr. Yoder stated that the Committee has been meeting with the justice community and organizations outside the legal community that are involved in mental health issues to discuss possible alternatives that might be available to The County. They have visited several Mental Health Courts throughout Illinois. As a team, one of the difficulties that they face is most of the Mental Health Courts visited had ample mental health facilities within their immediate area which we do not have. We have Bromenn as a facility as far as the treatment, which is the major component of any Mental Health Court. We are looking at every alternative. Chief Judge Robb has been very progressive in her efforts to spearhead this concept here in McLean County. It is a matter of what we can do with the available resources in this community and what we can do to increase those resources. One of the initiatives has been a movement towards CIT teams, Crisis Intervention Teams, Law Enforcement intervention teams. Where Police receive training on how they identify mental health issues when they are called to the scene. If a person is suffering from mental health issues, instead of simply arresting the person and taking them down to the County Jail, teams are trained to identify that there may be a mental health issue possibly present, training on how to de-escalate the situation and if the person is removed from the scene they may be taken to an alternative facility for treatment, as opposed to the county jail for incarceration. It is an ongoing process. As drug court, you can't simply start a program without researching it thoroughly. The success of our drug court has indicated that we do invest the work up front to make sure we do what is best for McLean County. We are doing the same as far as mental health issues and how they would best be resolved in McLean County.

The McLean County Auditor presented the following and recommends it for payment:
